# PREFACE.

The stamp collector of to-day realizes the impossibility of collecting stamps of all countries and is becoming a *Specialist*, devoting his attention to some one country, or group of colonies, or a continent, and by these plans placing himself in a fair way to get a reasonably complete collection of something, instead of having a smattering of everything.

The dealer in stamps must be to a great extent what the collector makes him. Without the collector the dealer could not exist. We make American stamps our specialty, to which we add the various revenue stamps of Mexico.

## ORDERS.

The prices in this catalogue are *net*, payable *cash in advance*.

Our stock of American stamps is very large and includes most all of the stamps priced, but it is impossible to have everything on hand at all times, so patrons will please send a list greater than your remittance.

If the stamps ordered are not in stock, *others will not be substituted*, but the money will be returned or a credit slip sent.

All stamps are guaranteed to be genuine and originals; no reprints handled.

## REMITTANCES.

Post office or express money orders are the safest means of remitting money by mail. Postal notes, unused stamps, currency or coin are at sender's risk unless registered. Drafts or checks (on New York, Boston, Philadelphia, Chicago, Cincinnati or St. Louis banks) received, but personal checks on banks in other places will be subject to 25 cents exchange.

**FOREIGN CUSTOMERS.** In making remittances from foreign countries, P. O. money orders payable at St. Louis should be obtained when possible.

Drafts on New York banks can be obtained in any city in the world and will be accepted.

Bank drafts on London will be received at \$4.80 to the (£1) pound.

Where it is impossible to obtain either of the above, *small amounts* may be remitted in bank-notes and unused stamps subject to usual rates of exchange.

## NEW STAMPS.

We want \$5.00 worth of every new stamp that appears in the world, and especially provisionals.

Collectors who will send me \$5.00 worth of unused stamps of **REGULAR** issues within one month from date of issue may order \$7.50 worth of stamps from this catalogue in payment.

For \$5.00 worth of unused **PROVISIONALS** we allow \$10.00 in exchange from our catalogue.

Or for \$5.00 worth of unused Provisionals we will remit \$5.00 cash upon receipt and give \$2.50 worth of stamps as a premium.

It being understood that these new stamps are to be sent us within one month from date of issue and the quantity limited to \$5.00 worth of each value. Less quantities may however be sent if more convenient.

## THIRD EDITION.

The third edition of this catalogue will be issued as soon as the present edition is exhausted. Corrections and criticisms will be thankfully received, so that the next may be more perfect.

**PROVISIONAL STAMPS**

These stamps were issued in 1861 by the postmasters of the different post offices.

There are many bogus stamps of this class, so that collectors should be very careful in buying. Those marked with a (\*) may be considered more or less doubtful.

Note. The stamps of Mexico at this time were not sold to the public, but were applied to the letters by the post office clerks upon the payment of the fee.

When they were short of stamps of the lower values they cut the higher values to serve the purpose, and the several portions were often surcharged with the name of the post office of issue.

Used in this way these cut stamps have a legitimate philatelic value different from the ordinary cut stamps of other countries.

To be of marketable value they should be on entire envelopes or letters, and the specimens we price are supplied in that way.

**General Note.** During the Chilian occupation of Lima and Callao, in 1883 and 1884, the stamps issued by the various post offices bore surcharges to distinguish them from stamps in the

hands of outside parties. Most of these surcharges were made with the regular cancellation marks, making it difficult to recognize with certainty the surcharged from the obliterated ones. We have omitted these as of very little interest.

### ECUADOR, S. A.

**Note.** We have revised our list of revenue stamps used postally, giving two varieties (22a, 22b) not heretofore catalogued, and adding two of the last issue (41a, 41b).

The description renders them more easy to classify.

Notice the prices particularly, they have been very much reduced. All stamps priced are in stock.

**MEXICAN REVENUES.**

There are no class of stamps that have claimed the attention of collectors so justly as the Revenues of Mexico.

They are beautiful and extremely interesting, and a collection can be made for a very reasonable sum.

In deference to the popular demand we include a priced list of these stamps in this catalogue, and we hope it will be of value to collectors who are arranging their collection of these stamps.

We are accumulating a very good stock, and already have most of the varieties, although there are some we cannot keep in stock at all times.

We are about to publish an album provided with spaces for all Mexican Revenues.

The album will be well printed, the style and size of the well-known "International" postage stamp album.

PRICES.

No. 1—Board covers.....	\$1.00
No. 2—Cloth covers.....	2.00

Collectors who will want one of these albums when complete will please advise the publishers at once.
