## TERMS AND SPECIAL NOTICES.

---

**TERMS.**—NET, cash with order in ALL cases. Responsibility of customer makes no difference. This is a cash list and goods WILL NOT be charged.

Our prices are put as low as it is possible to sell genuine stamps, and we cannot allow any discounts. We cannot hold ourselves responsible for letters lost in transit.

All orders will be filled, as far as possible, on the day of receipt.

**INQUIRIES.**—Enclose stamp for reply to all letters requiring an answer, and don't ask questions when this list will give you the information. Refer to the index and you can find what you want.

**ADDRESS.**—Always give your full name and address with EACH and EVERY communication.

Orders for less than \$1.00 must contain return postage.

**GUARANTEE.**—Every stamp sold by us is guaranteed as a genuine original, and when required a written guarantee will be given.

**PRICES.**—The prices quoted for rare stamps are for specimens in good condition, but in many instances extra fine copies bring far higher prices, and selections will be sent on request.

Also in many instances unused stamps with original gum are worth more than the quotations given by us for ordinary unused specimens in good condition.

The quotations given in this catalogue reflect the actual present condition of the market as gathered from all parts of the world; but the prices of stamps are subject to the general laws of supply and demand and therefore are apt to rise or fall. As a general rule, the quotations given herein will be maintained until the appearance of our next edition, but special altered conditions may make it necessary to raise or reduce our selling prices without further notice. The appearance of new issues naturally <sup>↑</sup> up the prices of the obsolete stamps.

It is impossible to keep on hand at all times a <sup>°</sup> of even the medium priced stamps. Therefore, in <sup>°</sup> tances, orders should be sent to us for at least twice remitted, so that the customer may be reasonable <sup>°</sup> ediving goods to the full value of the remittance <sup>°</sup> substitute stamps not ordered for others <sup>°</sup> stock.

**REMITTANCES.**—All remittances made in New York, Boston, Chicago or St. Louis; Express Orders to the order of C. H. MEKEEL, <sup>°</sup> CO., or Currency by Registered Mail.

for remittances sent in any other way. Unused stamps will be accepted for amounts under one dollar. For all larger amounts 5 per cent. must be added for discount. **DON'T SEND CHECKS ON LOCAL BANKS.**

**NOVELTIES.**—For the convenience of those of our customers who wish to obtain novelties as soon as they appear, we shall, upon application, set apart a series of boxes in which we shall place on receipt one of each kind of new stamp as received, and forward them as soon as a sufficient amount is reached, or else on request. Parties not known to us who desire to take advantage of this system must deposit \$10.00 before any stamps can be sent.

**CORRESPONDENCE.**—In English, French, German and Spanish.

**NEW AND PROVISIONAL ISSUES.**—Correspondents in Africa, Asia, Australia, South America and the West India Islands are requested to send us stamps to the value of \$5.00 or \$10.00 of any new or provisional issue which may appear in their country, and we shall remit the amount by return mail, allowing 15 per cent. commission on ordinary issues and 30 per cent. commission on provisional issues, such commission to be taken in stamps, etc., selected from our lists, in case the stamps are sent within fifteen days of their issue. We would also appreciate early information of any projected new issue or change, as we are especially desirous to procure early supplies of anything new that may appear in the line of adhesives, stamped envelopes, newsbands and postal cards. Prompt cash and postage charges incurred are guaranteed.

**PURCHASE AND EXCHANGE.**—We are prepared to purchase or exchange against all kinds of rarities, and will pay the highest prices. It is useless to offer us small lots of common stamps.

**EXAMINATION OF STAMPS.**—We are prepared to examine and classify stamps in accordance with our catalogue at the rate of \$2.00 per hundred, with a minimum charge of twenty-five cents in case less than twelve stamps are sent. Postage and registration are additional in every instance. The stamps should be sent hinged on sheets, with sufficient space below each specimen for the insertion of the information desired. Entire collections examined for forgeries at the rate of \$1.00 per thousand, the minimum fee being \$1.00.

**ABBREVIATIONS.**—A.—Asia; AF.—Africa; CA.—Central America; E.—Europe; NA.—North America; O.—Oceanica; SA.—South America; WI.—West Indian Islands.

## International Postage Stamp Album.

THOROUGHLY REVISED AND CORRECTED.

The numbers in the first column are stock numbers only, and will serve to facilitate ordering from the Catalogue; thus, if you wish to order a used United States, 1851 issue, 10c green, imperforate, your order may read as follows:

United States, 31 1 dollar,

thereby doing away with the necessity of long descriptions. The second column indicates the number of the illustration in the Catalogue; the third the nominal or face value, and the fourth the color of the stamp; the fifth, our price for an uncanceled specimen, and the sixth, our price for a canceled or used one.

When the color after a stamp is enclosed in parentheses it indicates that it is printed in black on colored paper. The color of the paper is indicated in parentheses.

## COIN TABLE.

The value of each coin is given at the approximate actual value in United States gold. In countries having a gold standard this will vary very little from the rate of exchange, but in countries having a silver standard the variation may still be considerable. In calculating remittances to be made in foreign money, the rate of exchange should be ascertained from a reliable broker. Values carried to two decimal places.

## Mexican Revenues.

The priced list of Mexican Revenues is revised up to date and many prices greatly reduced.

The whole list has been revised and corrected.

These interesting stamps are sought for by most American collectors.

Among the most important collections of Mexican Revenues in this country may be mentioned those of Charles Gregory of New York, H. E. Deats of Flemington, N. J., and Dr. S. G. Stein of Muscatine, Iowa, whose collections we are indebted to for valuable information in compiling our list.

The prices affixed in the following pages are for either used or unused copies. When both are in stock we shall supply in the condition preferred by the customer.

# STAMPS ARRANGED FOR SALE IN PACKETS.

---

The following series of packets is without any question the finest that is put up by any stamp dealer in the world.

These packets are all carefully prepared by our own force of experienced assistants, and their character is guaranteed to be superior to any others.

Nothing but the best selected specimens are included, all used stamps are in good condition, being lightly canceled; there are no reprints among the unused, every stamp being guaranteed genuine.

These packets are put up in special envelopes prepared for them and the printed description of each packet is enclosed, so that if any error is made it may be easily detected and corrected.

Our sales of packets reach the millions and give universal satisfaction.

It has been estimated that the catalogue value of the contents of our packets average from three times to forty times the price of the packet.

It is certainly the cheapest way to buy stamps, even if you do get many duplicates and varieties you do not need for your collection; these can be exchanged and traded off for other stamps you need, with your collecting friends.

**VARIETY PACKETS** contain stamps of different varieties, without particular reference to the geographical origin of the stamps.

**CLASSIFIED PACKETS** contain stamps of different varieties, but the description of the packets classifies the contents.

**MIXED PACKETS**—These contain duplicates and are not all different.

# APPROVAL TRADE.

---

The system of sending to collectors upon approval stamps mounted upon sheets and in books has been very much abused by both dealers and collectors. We wish to state our rules and regulations in regard to this department of our business very plainly:

**ACCOUNTS OPENED BY MINORS MUST BE APPROVED AND GUARANTEED BY PARENTS OR GUARDIAN.**

All stamps that we forward by registered mail must be returned to us **REGISTERED**.

Correspondents are expected to pay return postage, registration and cost of draft or money order.

Coin must not be sent by mail, on account of the danger of loss through breaking the envelope, or theft.

Canada silver will not be accepted. Canada currency is 2 per cent. discount, and unused Canadian stamps 5 per cent. discount.

The most desirable form of remittance is express or post-office money order.

Unless you have an open account or are known to us, good business or bank references are required.

---

## Our Approval Stock.

---

We have classified books of stamps from almost every country in the world. Our specialty is the stamps of the American Continent, and therefore the books of these stamps are naturally more complete. Customers are requested to give us some idea of what they want, specifying what country or countries are wanted, whether they prefer used or unused, and about how high-priced stamps they buy. These particulars will assist us in suiting them.

**DISCOUNTS ON ABOVE CLASSIFIED BOOKS** are made in accordance with the country and class of stamps. Most of these classified books are priced at prevailing catalogue prices, from which 25 to 50 per cent. is allowed.

**SHEETS FOR AGENTS.**—We have a large and varied stock of Miscellaneous Approval Sheets for Agents and Collectors who are not very far advanced.

**50 Per Cent. Discount.**—Our 50 per cent. discount sheets contain a wide range of stamps, from 1c. to \$5.00 each, from every part of the world, and are highly recommended.

**25 Per Cent. Discount.**—The stamps on the 25 per cent. discount sheets are of a much better class, including some really scarce stamps—British Colonials, Provisionals and New Issues.

# Hinges

For those who prefer a die-cut hinge, they cannot be beat, being a handy size for all ordinary stamps. They are put up in envelopes containing 1000 each.

1000—Post free.....	\$0.10	3000—Post free.....	\$0.25
5000—Post free.....	\$0.40		

Postage 10c. per 1000 on orders outside of the United States, Canada and Mexico.

We can supply our customers with another style of die-cut hinges, which we highly recommend. The hinge is 14 millimeters wide, 19 long, and is prepared with a pure, white, tasteless gum, which holds the stamp perfectly, but allows its quick removal with much less danger than is attendant with the ordinary hinges.

The paper used in its manufacture is thin and porous, with plenty of strength for all requirements, but in almost every case would peel or tear with less force than would the stamps. This is a good quality, as most of the hinges now on the market are made of a tough, fibrous paper that in the majority of cases is stronger and will stand more strain than the stamp. Therefore, the greatest care has to be exercised in removing the stamps, as it often requires more strain to tear the hinge or loosen the gum than the stamps will bear, and as a consequence you have stamps to be sent to the hospital for a patch.

The hinges are carefully put up in tightly bound packages of about 500 each, and packed in boxes of 5000. The box is well made and serves as a handy receptacle for them. Price, 75 cents per box of 5000, post free.

# Gummed Paper

We have the best Linen Onion Skin Paper, gummed to order, for our own use and can supply it to others in any quantity at the prices named below—post free.

4 sheets.....	\$0.10	25 sheets.....	\$0.50
10 sheets.....	.25	60 sheets.....	1.00
100 sheets.....	\$1.50		

# Stamp Tongs

No. 1.

Every careful collector has found from experience that his stamps cannot be properly handled with his fingers while going through the process of cleaning and preparation for his album. We have two styles of tongs, each made of fine nickel-plated steel, so they can be placed in water with no fear of rust. No. 1, as illustrated above, is so constructed as to enable one to grasp the stamp, and releasing the pressure, it is firmly held so you can then examine the specimen in every conceivable position, and even lay the tongs down with perfect safety, as the angle of the bars would keep the stamp suspended in the air, away from danger of being soiled.

PRICE, \$1.00.

No. 2 is simply an ordinary pair of tongs, made of good quality material, and can be used with a great deal of satisfaction.

PRICE, 40 CENTS.

# Steel Dividers

For Measuring Grills, Surcharges,  
Dies, Etc., Etc.

No. 1.

No. 2.

An indispensable device for accurate work in taking the required MEASUREMENTS of various kinds, in detecting forgeries, etc. Price, No. 1, post free, \$1.75; No. 2, post free, \$1.25.

THE  
**Merchant Flags**  
 OF THE  
**World !**

**Austrian-Italy.**

UNCOLORED FAC-SIMILE, SHOWING SIZE AND STYLE

These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any album, while the exceedingly low price (25 cents) at which they are published places them within the reach of all.

This Chart, containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country.

These sheets possess three great advantages (to the Collector) over any other we are acquainted with, which consists in the facts that there is only one Flag to each country, more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in albums, as they can use them instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness.

Beautifully and correctly printed in FIVE colors on very thin paper for Albums.

**Price, only 25 Cents.**

## THE COATS OF ARMS OF THE WORLD.

This magnificent chart contains accurate representations of the armorial bearings of the nations of the world, all of which are beautifully and correctly emblazoned in gold and silver and their true colors.

As a sheet for framing, it is an acquisition to any drawing room and is indispensable in the library or study.

As a guide to determine the nationality of foreign coins or postage stamps (most of which bear the issuing countries' arms), it will be found of great service. While cut up and inserted in stamp albums, they will be found to add much to the appearance of the page.

The cut herewith shows an uncolored fac-simile showing size, etc., of the Coat of Arms of Russia.

Printed on fine thin paper for albums.

**Price 50 Cents. The Three Sets for \$1.00.**

## Magnifying Glasses. . . .

A glass with which an entire stamp may be examined, while both hands are perfectly free, is indeed eminently satisfactory, if not indispensable. The accompanying illustration shows the glass ready for use. It is constructed so as to be folded up, and can be easily carried about. The metal frame is handsomely nickel-plated. The diameter of the lenses is 27 millimeters, and the opening in the base is one inch square. Being fitted with a double lens, this glass is perfectly acromatic.

We also have a glass, constructed like the above, and made of the same material, but with only one lens.

# THE ADVANCED ALBUMS

A series of permanent albums with interchangeable leaves--the acme of perfection in the way of books for **ADVANCED COLLECTORS**. The bindings are substantial and handsome, with metal clamp and fastening (no shoestring arrangement).

## THE SUNK SURFACE

is the great feature of these two books. This is an absolute protection to the stamps, as the border of each page is beveled boards.

**No. 1.** Is the handsomest and finest album in the world, bound in full Russia leather, padded sides.

The leaves have a raised marginal border of beveled boards. The surface thus depressed is an absolute protection against rubbing or damaging the stamps when mounted. The leaves are of the finest card board, and have a faint quadrille ground-work that is of great assistance in arranging the stamps. The pages are plain except for the faint lines referred to. There is no printing of any kind. Inside measurement of leaf  $10\frac{1}{2} \times 7\frac{1}{4}$  inches. Thirty leaves. With brass extension clasp and lock.

A cloth-covered case is provided to hold each album.

**PRICE \$35.00, Express Extra.**

**No. 2.** Bound in Half Morocco. Cloth sides. Leaves have the raised marginal border, same as Album No. 1. The back of each leaf is lined with Japanese paper as a further protection to the specimens. Inside measurement of leaf  $8\frac{1}{2} \times 6$  inches. Thirty leaves. Gilt edges. A cloth protecting case is provided to hold each album.

**PRICE \$17.50, Express Extra.**

# THE ADVANCED ALBUMS

## REGULAR CARD BOARD

Leaves, movable at will, and bound upon the same principle as the more expensive books.

**No. 3.** A popular album at a popular price. This book has exactly the same system of binding as the more expensive books. Bound in half Morocco and gilt. Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible network to assist the correct insertion of the specimens to be mounted. Inside measurement,  $9\frac{1}{4} \times 6\frac{3}{4}$  inches. The leaves are printed on one side only, on a very fine quality white card paper. 100 leaves. Packed in a box.

**PRICE \$8.50, Express Extra.**

**No. 4.** Alike in all respects to No. 3, except that it is a larger book, inside measurement of pages being  $10\frac{1}{2} \times 7\frac{1}{4}$  inches. 100 leaves. Packed in a box.

**PRICE \$10.00, Express Extra.**

**No. 5.** Same size as No. 4: same kind of leaves as Nos. 3 and 4; elegantly bound in full Morocco, gilt, beveled boards, with brass expanding clasp and lock. 100 leaves. Packed in a box.

**PRICE \$17.50, Express Extra.**

# A BLANK, STAMP ALBUM.

Just the thing for the advanced collector or specialist who does not want an expensive book. The Album is bound substantially in handsome brown cloth, with gilt lettering and plenty of stubs to prevent bulging.

We supply 1000 of the famous Tiffany Mounts with each Album and recommend their use, as they add very materially to the beauty of the page. Some collectors, however, prefer to mount their stamps without them, by laying out various designs on the pages in India or colored inks.

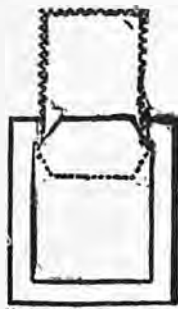

With the exception of a neatly printed border and a space assigned for the name of the country, the pages are entirely plain. We furnish the names of all countries, attractively printed on adhesive paper, to accompany every book. The paper in this Album is of the finest cream tint, extra good quality. Below we illustrate the Tiffany mounts.

No. 1.—The Stamp Mount.

No. 2.—The Stamp Mounted.

No. 3.—The Stamp in position to examine reverse side.

These mounts were invented by Mr. John K. Tiffany, Ex-President of the American Philatelic Association, and his famous collection is mounted with them, rendering an effect which is far better than any other method yet put to use. The stamps lie on a perfectly flat surface, as part of the mount is used for the hinge, shown in illustration No. 1 by the dotted lines. As can be seen in No. 3, there is ample room for any memoranda (price, etc.) on the mount under the stamp—in this way the latter can be kept perfectly clean. Our mounts are furnished in sheets of fifty, each containing various sizes, suited to any shaped stamp that has to this date been issued. 1000 mounts and one set of names, comprising all stamp-issuing countries, are given FREE with each Album.

Post Free.

No. 1—Full Cloth and Gilt, with stubs, 136 leaves.....\$2.50

No. 2—Full Leather and Gilt, with stubs, 136 leaves..... 5.00

Extra mounts, 35c. per 1000. Extra names, 20c. per set.

# THE POPULAR STAMP ALBUM

Particularly adapted to the requirements of a small collection and used by thousands of beginners, also well adapted for duplicates. Annexed is a reduced illustration of the cover and a sample page of Venezuela, showing general appearance of Album.

Spaces for 2,500 stamps. Size of pages, 7x10 inches. One hundred pages, consisting of a fine quality of paper, with printed information at the top, and also illustrations of stamps of different countries.
