## Searchable and browsable CP now online

As promised, the [CSA website](#) continues to add helpful content for members. The new searchable and browsable *Confederate Philatelist* (CP) is now available. It is easy to use and will be a benefit to all researchers and those looking for a particular topic.

These features are available only to members. If you are a member and you have not reset your password, you will have to do this to gain access to the searchable CP. This is done by hovering over "Members" on the main menu and then clicking "Login." If you encounter a problem resetting your password, email [contact@csalliance.org](mailto:contact@csalliance.org) for assistance.
