TERMS:

We had at first determined on making our Prices *net cash*, but to induce our patrons to purchase largely, we have concluded to allow the following large discount:

On all orders exceeding	100, - - -	10 per cent.
" " "	500, - - -	15 "
" " "	1000, - - -	25 "

These discounts are only on Stamps, and do not apply to Packets or Albums.

Collectors will find our prices, as a rule, as low as any dealers in the United States, and in many cases much cheaper, and with the large percentage deducted, they are in all cases lower than any dealers in the world.

We are constantly in receipt of orders containing money without the address or name of the sender, and of course these cannot be sent. Will our customers oblige by being careful to always give the directions each time.

Our patrons would oblige by always sending a second list to be sent in case we are out of any that they order, but in all cases if we cannot fill any order the same day as received the money for those we are out of will be returned.

Opinions of the Press.

The best Philatelic Paper.—*The Industrial American*.

This Journal is ably edited, and is devoted entirely to the interests of Stamp Collectors, all of whom should have a copy.—*Northampton County Journal*.

It is a nice thing, and we hope it will succeed and continue to flourish.—*The American Stamp Mercury*.

The largest, cheapest and best work in the U. S.—*Mason's Magazine*.

The work consists of eight octavo pages, devoted to notices of new issues, answers to correspondents, original articles, &c., &c., and a wrapper containing four pages of advertisements, both from local and European vendors. We cordially wish it success.—*The Philatelist*.

It is of decidedly of superior appearance. The articles are readable, and the illustrations much better than those generally found in American Publications.—*The Stamp Collectors' Magazine*.
