HARMERS of New York

H. R. HARMER, INC.

6 WEST 48th STREET

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THE CONDITIONS OF SALE

CONDITIONS OF SALE

BIDDING

1. All bids are per lot, as numbered in the catalogue. H. R. Harmer, Inc. (hereinafter "Harmers") reserve the right to withdraw any lot prior to sale, to divide a lot or to group two or more lots.
2. The highest bidder shall prevail. Should a dispute arise between bidders, the decision of the auctioneer as to the successful bidder or the re-offering or resale of the lot in dispute shall rest entirely in the judgment of the auctioneer.
3. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by him not to be made in good faith.

PAYMENT FOR PURCHASES

4. Payment for lots, including those on which opinions are desired under Condition of Sale 8, shall be made as follows:
 - (a) FLOOR BIDDERS. The name and address of the buyer of each lot shall be given to the auctioneer immediately following the sale of such lot. Payment of the entire purchase price, or part thereof, shall be made by the buyer in such manner as Harmers may determine.
 - (b) MAIL BIDDERS. A successful mail bidder will be notified of lots purchased and must remit before the lots are sent. A person known to Harmers, or who furnishes satisfactory references, may at Harmers' option have purchases forwarded for immediate payment. Delivery will be to the address on the bid sheet. Proof by Harmers of receipt of a sending at the advised address shall constitute delivery. A minimum charge of 75c will be made for postage, insurance and handling.
5. Title shall not pass to the buyer until full payment has been received by Harmers.
6. Buyers agree to pay for lots as specified above and no credit is extended; a late payment charge of 1½% per month is added to overdue payments.

QUALITY AND AUTHENTICITY

7. Each lot is sold as genuine and correctly described based on the individual description as modified by any specific notations in this catalogue including (but not restricted to) "Key to Cataloguing".
 - (a) QUALITY. Any lot, description of which is incorrect, is returnable within two weeks of receipt and must be received by Harmers within four weeks from date of the auction. If the opinion of a mutually acceptable authority is desired, this period will be extended as noted in Condition 8. All disputed lots must be returned intact in the condition received. The following lots are not returnable except at the discretion of Harmers: lots from buyers who had the opportunity to examine them before the auction; stamps on account of appearance when they are illustrated in this catalogue.
 - (b) AUTHENTICITY. Any lot which is declared otherwise than as genuine by a mutually acceptable authority is returnable provided the lot is received by Harmers within a period of four weeks from the date of the auction. Proof that a "mutually acceptable authority" declines to express an opinion is normally grounds for the return of a lot. In the case of United States stamps the "mutually acceptable authority" shall normally be The Philatelic Foundation of New York.

EXTENSION OF TIME

8. When an opinion from a mutually acceptable authority is not expected within four weeks from the date of the auction, the buyer shall
 - (a) submit the lot without delay to a mutually acceptable authority;
 - (b) ensure that advice in writing to this effect (preferably on the form supplied) be received by Harmers within 25 days of the auction.No lot will be accepted back under any circumstances more than four months after the auction date.

EXPENSES OF CERTIFICATION

9. Expenses shall be borne by the buyer except where the lot is other than as described and is returned within the conditions set forth above, and Harmers' responsibility is expressly limited to:
 - (a) The actual cost of the opinion if \$10 or less, or
 - (b) The cost of the opinion up to 5% of the sale price but not exceeding a maximum of \$50.

SALES TAX

10. The New York State Sales Tax is payable by a buyer liable to the tax.

Clients wishing to bid in more than one of the auctions are requested to enter their bids on one bid form.

On, on to the rescue, the Vandals are coming—
 Go meet them with bayonet, sabre and spear!
 Drive them back to the desolate land they are leaving—
 Oe, trusting to God, you'll have nothing to fear.

Freedom's faith, let us keep it! Death,
 nor fame in its cloudless splendor;
 in who stand for their mother land,
 die. And never surrender:
 the Cannon's flash, with the Cannon's
 crash,
 with the Cannon's roar and rattle:
 Freedom's sons, with their gleaming
 guns,
 the down to the conqueror's battle!

To arms! to arms! quick, be ready,
 Think of what the South has been:
 Onward, onward! strong and steady—
 Drive the vandals to their den.
 On, and let the watch-word be:
 Country, home, and liberty!

May these Northern fanatics, who abuse
 their Southern neighbors,
 Approach near enough to feel the point of

 May they come near enough to hear the
 clink of a trigger,
 And learn that a white man is better than a
 nigger.

Brilliant Banner of Freedom with pride I

 Fair Flag of my country with love I be-

 O'er the Southern's Home and the
 Southern's Grave!

Of noble patriot sires,
Your cause is just, you'll safely pass,

Dim not a single star that decks
The Southern flag o'erhead,
And let its light ne'er cease to glare
But wider let it spread!

MAJOR ABBREVIATIONS

SE = Straight Edge; s.l. = straight-line; c.d.s. = circular date stamp; c.t.o. = cancelled to order

CONDITION

The various gradings of stamps are, in order:

superb; extremely fine; very fine; fine; fair

A lot described as "fair" is so listed either by reason of general appearance or more often because of a small fault or faults, such as a crease, thin spot, short or missing perf, perforated into, cut into, etc.

In the case of sets, large blocks, sheets, etc., the condition quoted represents the average and quality above and below this standard can be expected.

Blocks of four or larger. Minor separations are the rule, rather than the exception, in the case of blocks of any size. A few separations—around two per row—do not affect the value of a block and are not grounds for the return of a lot.

GUM

- Shaded portion can represent an actual hinge or the area disturbed by a hinge.
- n. h. = Never hinged — unused with original gum in Post Office state and unmounted.
 - l. h. = Lightly hinged — unused with the full original gum showing some evidence of a previous hinge, which may be present in part or entirely removed.
 - o. g. = Original gum — unused with original gum somewhat disturbed by previous hinging which may still be present.
 - Part o. g. = Part original gum, as issued.
 - Ungummed = Unused without gum, as issued.
 - Unused = Unused without gum (unless gum is mentioned).

CATALOGUE NUMBERS

The catalogue numbers of the contents of the lots are given in parentheses immediately following the descriptions, but in bulky lots, only the range of issues is shown.

CATALOGUE VALUES

The final column shows the catalogue value of the lot. This is shown in parentheses where, in the opinion of the auctioneer, the market value exceeds this figure.

ESTIMATED VALUES

If an estimated cash value is given, it is shown in the description and always indicated by the abbreviation "Est. Cash Val.". It is used where the lot is large or where the actual value has little relation to the catalogue price.
