INTERNATIONAL STAMP AUCTIONEERS

6 WEST 48th STREET, NEW YORK, N. Y. 10036

CONDITIONS OF SALE

Bidding

- I.—All bids are per lot as numbered in the catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots.
- II.—The highest bidder shall prevail. Should any dispute arise between bidders the decision of the auctioneer as to the successful bidder and the reoffering or resale of the lot under dispute shall rest entirely on the judgment of the auctioneer. The auctioneer shall reduce the bidding and reserves the right to refuse any bid believed by him not to be made in good faith.

Payment For Purchases

- III.—**Floor Bidders.** The name and address of the buyer of each lot shall be given to the auctioneer immediately following the sale of such lot. Payment of the whole purchase price, or part thereof shall be made by the floor buyer in such manner as the auctioneer may determine.
- IV.—**Mail Bidders.** A successful mail bidder will be notified of lots purchased and must remit before the lots are sent. Delivery to a successful mail bidder will be to the address on the bid sheet. A person known to us, or who furnishes satisfactory references, may, at our option, have purchases forwarded for immediate payment. A minimum charge of 25c will be made for mailing and insurance.
- V.—Title shall remain in H. R. Harmer, Inc. until payment is received.
- VI.—The buyer agrees to pay H. R. Harmer, Inc. a service charge of $1\frac{1}{2}$ % per month which may be imposed on past due balances.

Authenticity

- VII.—Each lot is sold as genuine but when in the opinion of the Philatelic Foundation the lot is declared otherwise, the purchase price will be refunded in full, **provided the lot is received by H. R. Harmer, Inc. within a period of 21 days from the date of the auction. Where an opinion is not expected within 21 days, notification to H. R. Harmer, Inc. within this period that a reasonable extension of time is required, is satisfactory. No lot will be accepted back under any circumstances after three months from the auction date.** Proof of the inability of the Philatelic Foundation to express a definite opinion is not grounds for the return of an item.
- VIII.—Any lot, description of which is incorrect, is returnable (a) within three days of receipt and (b) if received by H. R. Harmer, Inc. within 21 days from the date of the auction. All disputed lots must be returned intact, in the condition received. **No adjustments.** Lots are not returnable from purchasers who had the opportunity to examine them before the auction.

New York State Sales Tax

- IX.—The New York State Sales Tax (as appropriate) is payable by buyers liable to tax.
- X.—The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

 May these Northern fanatics, who abuse
 their Southern neighbors,
 Approach near enough to feel the point of
 our bayonets.
 May they come near enough to hear the
 crack of a trigger,
 And learn that a white man is better than a
 nigger.

Attention: Mr. Bernard D. Harmer

Dear Mr. Harmer:

I must express to you my great satisfaction with the sale of my collection of U.S. Pre-adhesive covers. This collection was a labor of love for me over the past 35 years and the manner in which you prepared the catalogue and accompanying illustrations demonstrates that your years of labor of love and research rubbed off on to you. To prepare the catalogue in such detail, you must have opened and read every one of the letters! On an overall basis I am thoroughly satisfied with the prices realized.

Perhaps now that this auction sale and the results are past history, general collectors will realize the importance of postal history items even though the covers do not have an adhesive stamp affixed.

Sincerely yours,

Edwin Mayer

My great satisfaction a labor of love thoroughly satisfied.

A number of innovations were applied to the production of the auction catalogue of Mr. Mayer's covers sold by Harmers in two sessions on February 17th for \$54,479.50.

The careful detail given to the describing, the widest circulation of the elaborate catalogue, the care applied to detail, and the overall courtesy and attention offered to buyers, are some of the many reasons why vendors, as Mr. Mayer does, express complete satisfaction with an H. R. Harmer auction.

If you are interested in selling write us for the booklet, "Modern Methods of Philatelic Selling" detailing all the advantages of selling through
