## CONDITIONS OF SALE

---

### Bidding

- I.—All bids are per lot as numbered in the catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots.
- II.—The highest bidder shall prevail. Should any dispute arise between bidders the decision of the auctioneer as to the successful bidder and the reoffering or resale of the lot under dispute shall rest entirely on the judgment of the auctioneer. Title shall remain in H. R. Harmer, Inc. until payment is received and delivery made to the buyer. The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by him not to be made in good faith.

### Payment For Purchases

- III.—**Floor Bidders.** The name and address of the buyer of each lot shall be given to the auctioneer immediately following the sale of such lot. Payment of the whole purchase price, or such part thereof shall be made by the floor buyer in such manner as the auctioneer may determine.
- IV.—**Mail Bidders.** Successful mail-bidders will be notified of lots allocated to them and must remit before the lots are sent. Delivery to successful mail bidders will be at the addresses indicated on their bid sheets. Persons known to us, or who furnish satisfactory references, may, at our option, have their stamps forwarded to them for immediate payment. A minimum charge of 25c will be made for mailing and insurance.

### Authenticity

- V.—Each lot is sold as genuine, but when in the opinion of the Philatelic Foundation or any competent authority acceptable to H. R. Harmer, Inc., the lot is declared otherwise, the purchase price will be refunded in full, provided that such claim is received by H. R. Harmer, Inc., within a period of twenty-one days from the date of the auction.
- VI.—Any lot, description of which is incorrect, is returnable only within three days of receipt. All disputed lots must be returned intact, as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had an opportunity to examine them before the sale. Stamps described as having defects are not returnable on account of their condition. Stamps cannot be returned on account of centering when such stamps are illustrated.

### New York City Sales Tax

- VII.—The New York City Sales Tax (2%) is payable by buyers liable to tax who accept delivery in the City. Out-of-town mail buyers do not pay the Tax.
- VIII.—The placing of a bid shall constitute acceptance of the foregoing conditions of sale.
