THE STANDARD STAMP CO.

No. 4 Nicholson Place, ST. LOUIS, MO.

We pay the prices quoted in this list in **cash** for all stamps sent us under the following conditions:

The more common varieties must be tied up in packages of 50 or 100. Remember that old or **RARE** stamps have a higher value if they are on the original envelope, so it is better to send stamp and envelope or letter and all.

 **ALL STAMPS** must be clean; no torn or heavily canceled stamps will be accepted. In most cases it is best to send the stamps to us for inspection.

Be sure to **always** enclose your name and address when sending us stamps, as a letter sent by separate mail does not always enable us to tell who sent the stamps. If you follow instructions you will receive payment promptly by return of mail.

Bear in mind that there are millions of old and valuable stamps packed away among old paper, in garrets and store-rooms—find them and **you find MONEY.**

Sufficient two-cent stamps must always be enclosed for return postage.

 The numbers marked with an * are **not** purchased by us for **cash**, but are **only** taken in **exchange** against **FOREIGN** Stamps.

The following is a list of

PRICES WE PAY

for stamps issued by the various postmasters during the civil war. Nearly all of these were issued during the year 1861. Wherever we mention two different prices for the same stamp, the difference will be caused by the condition of the stamp.

In no case will we pay less than the lowest price mentioned, but if an exceptionally fine specimen is sent we will give a higher price. These prices are for stamps **IN GOOD CONDITION**, taken off the envelopes or on part of the original letter or envelope.

When a stamp is still attached to the original letter or envelope, we will pay from five to ten per cent more **than the highest price mentioned**, provided the stamp is *in good condition*.

All envelopes should be sent entire. These rare stamps always command a better price when they are left on the original letter or envelope.

In all cases it is better if the stamp or stamps which you have for sale are submitted to us for inspection, as we can then form a better idea as to what they are worth to us.

TO FIND THEM IS TO FIND MONEY!!

Go through your old letters and ask your friends to let you examine their old correspondence, if you are lucky you may find old stamps for which we will pay you hundreds, or even thousands of dollars. // // // // //

 You should try to get permission to go through OLD correspondence of business or banking firms in your locality, as you are most likely to find valuable stamps among such letters.

WE HOPE
