## **"GENERAL" JACK SOLOMON**

"General" Jack Solomon was born in New York City 60 years ago. He started collecting when he was 10 years old, first as a general collector, later specializing in United States and then in Great Britain and colonies. It was 23 years later in 1954 at an ASDA show that he saw Confederate stamps for the first time at Raynor Hubbell's booth. As Jack tells it, "I was flabbergasted when I saw these stamps. Always a history buff, I found myself holding actual momentos of an era that continues to fascinate historians and students of the period. I was converted instantly."

It didn't take long for Jack to really get into Confederate collecting. In a relatively few short years he was exhibiting in many parts of the country winning Grand and Reserve Grand Awards as well as gold and silver medals. Jack is very proud of his Confederate Stamp Alliance membership and especially of the title "General, CSA" conferred on him as a Past President. Almost from the day he joined in 1954 he has been a very active member and has served as Membership Chairman, Secretary, Treasurer and as President. More recently he was appointed chairman of the Nominating Committee. A more dedicated Confederate Yankee is not to be found.

Jack is married to his Sylvia for 40 years. He was 19 and an optician and she, at 18, was in her graduating class in college. They have two children—Stanley, an optician, and Lois, who works with retarded children for Catholic Charities. They also have two beautiful grand-children.

The collection offered here is one of the finest extant, containing many celebrated rarities from some of the worlds greatest Confederate collections. Due to the great magnitude of so many of the covers, it is impossible to highlight individual lots without leaving out major items or filling pages upon pages. Material of this type rarely comes to market and this sale represents a real opportunity to acquire items that are seldom seen or made available.

## Estimates

Our sales often contain specialized material for which catalogue values are not realistic indications of actual worth. We have evaluated such lots according to the estimates below. For example, "E-D" in the

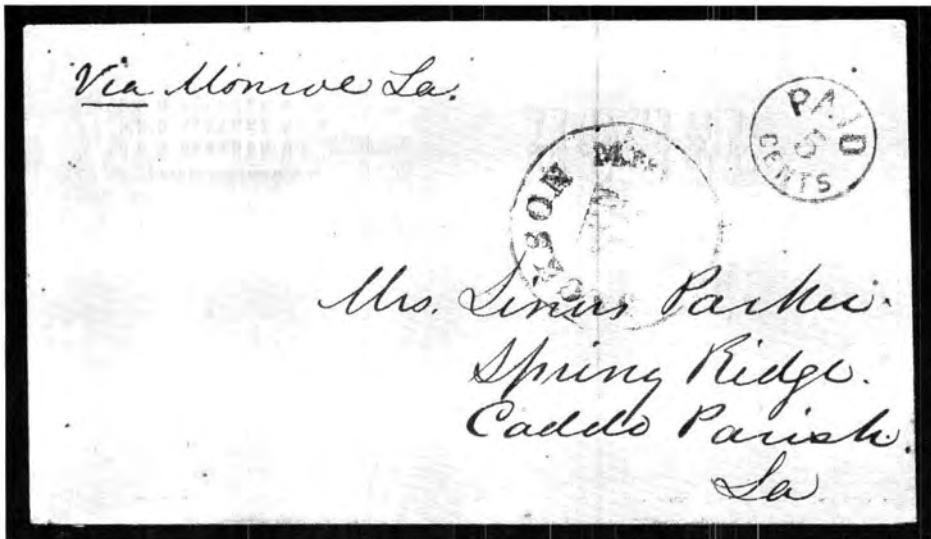

value column of a lot indicates an estimated cash value of \$100 to \$150. Lots may actually realize more or less than the estimates and in no way should an estimate be considered a reserve, but merely a guide to bidding.

<b>E-A</b>	Under \$50.	<b>E-G</b>	\$250. to \$350.	<b>E-M</b>	\$2,500. to \$3,500.
<b>E-B</b>	\$50. to \$75.	<b>E-H</b>	\$350. to \$500.	<b>E-N</b>	\$3,500. to \$5,000.

A circular postmark from Dec 1, 1904, with '208' and a signature 'L. Scott' below it.

A black and white photograph of a document, likely a letter or envelope. The document is divided into two vertical panels. The left panel is dark and textured, possibly a book cover or a piece of paper. It features a large, bold, black number "203" in the upper left corner. Below the number is a rectangular stamp with the word "MISSISSIPPI" in a stylized, outlined font. The right panel is lighter and shows a circular postmark in the upper right corner. The postmark contains a portrait of a man, likely a president, and the word "POST" at the top. Below the postmark is a large, handwritten signature in cursive that reads "M. F. Davis". The signature is written across the bottom of the right panel.

Ms. C. F. Davis.

## Estimates

Our sales often contain specialized material for which catalogue values are not realistic indications of actual worth. We have evaluated such lots according to the estimates below. For example, "E-D" in the

value column of a lot indicates an estimated cash value of \$100 to \$150. Lots may actually realize more or less than the estimates and in no way should an estimate be considered a reserve, but merely a guide to bidding.

E-A	Under \$50.	E-G	\$250. to \$350.	E-M	\$2,500. to \$3,500.

Stand by that flag, men of the South,  
Of noble patriot sires,  
Your cause is just, you'll safely pass,  
Through Abolition fires,  
O'er not a single star that decks  
The Southern flag a'head,

But wider yet it spread!
