## **Welcome to our Autumn sale!**

*Again, we are pleased to offer an eclectic array of stamps and covers, sure to include something for the most advanced and esoteric collection.*

*The United States section features both important postal history and choice stamps. Confederate States highlights include an important collection of covers and letters relating to Howell Cobb of Georgia, as well as a small but fine group of better Confederate items offered for the first time in decades.*

*British Commonwealth includes specialized groups of Penny Blacks, Canadian Beavers and early Samoa, together with a select group of the primitive stamps of Long Island. Among my personal favorites is the Nova Scotia 1sh "Cold Violet", a rare stamp in superb condition.*

*Western Europe features the second part of a collection formed over many years by an astute collector with an eye for the rare and a passion for the hobby. Stamps include German States, Germany and Colonies (including occupation issues), France, Netherlands and Colonies, Italian States, Italy and Colonies, and Scandinavia. Noteworthy are the Swedish coil issues, including the unique King Gustaf V 20ö perf on four sides with watermark wavy lines and block lettering. Cover rarities include the pair of the German "Vineta" provisional bisect on postcard, the France 1fr Napoléon strip of six on cover to Peru, and the Tuscany 1c block of ten on cover.*

*Collections include many valuable lots from collectors and estates around the world, with many items of exceptional scarcity and quality.*

*Finally, there is a wonderful section of literature, featuring the philatelic library of an old time collector. Many rare and useful books are present, such as the Ridgeway color study and Mirabaud's great work on the classic stamps of Switzerland.*

*We would like to wish all of our clients around the world a peaceful holiday season and a prosperous New Year.*

*Sincerely,*

*Schuyler J. Rumsey*

*P.S. Please be reminded that our entire sale can be viewed in full color at our website ([www.rumseyauctions.com](http://www.rumseyauctions.com)).*

## Grading and Condition

<b>Superb</b>	Extraordinary item in the finest condition.
<b>Extremely Fine</b>	Outstanding and exceptional quality.
<b>Very Fine</b>	Choice, first-class condition.
<b>Fine-Very Fine (F-VF)</b>	Stamp or cover in sound condition; if a stamp, it is slightly less well-centered than Very Fine but better centered than Fine.
<b>Fine</b>	Sound in all respects. Perforated stamps will have the designs clear of the perforations; the designs of imperforate stamps will not be cut in to any significant degree.
<b>Very Good (VG)</b>	Imperfect centering (stamps) or poor general appearance.

Any stamp faults such as a thin spot, tear, crease etc., will be described at all times. Postally used covers should be expected to have the normal degree of wear associated with them and this wear is not grounds for return of a lot. The grade of a cover is independent of the grade of the stamps on it. Covers from the famous Carroll-Hoy correspondence will normally have a small unobtrusive staple hole. In lots containing several items, degrees of condition denote the overwhelming average and examples above and below such condition can be expected.

# Terms of Sale

## Bidding

I. All bids (whether by floor bidders, mail bidders, or telephone bidders) will have a premium of 10% added to the auction sale price.

II. All bids are per lot as numbered in the catalog. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots.

III. The highest bidder shall prevail; lots are sold at one increment over the second highest bid. Should any dispute arise between bidders, the decision of the auctioneer as to the successful bidder and the reoffering or resale of the lot under dispute shall rest entirely on the judgment of the auctioneer. The auctioneer shall regulate the bidding and reserve the right to refuse any bid believed by him not to be made in good faith.

IV. Consignor has and retains the right to bid personally, or by his duly appointed agent, through the auctioneer, unless the sale is advertised and announced as one restricting such bidding by consignors or their agents.

## Payments of Purchases

V. FLOOR BIDDERS. Floor bidders shall furnish the auctioneer their names and addresses prior to bidding on any lot. The name and address of the buyer of each lot shall be registered with the auction house following the sale of each lot. Payment of the whole purchase price shall be made by the floor buyer in such manner as the auctioneer may determine. Special credit arrangements must be made prior to the sale.

VI. MAIL BIDDERS. A successful mail bidder will be notified of lots purchased and must remit payment before the lots are sent. Auction bills are due and payable upon receipt of notification. If buyer's payment is not received within ten (10) days, Schuyler Rumsey Philatelic Auctions, Inc. may resell all lots without notice. Any and all losses incurred as a result of resale will be passed on to the defaulting buyer. Cost of postage, registration, etc. will be charged to buyer. Proof by the auctioneer of receipt of sending at the advised address shall constitute delivery.

VII. DIRECT DRAFTS/TRANSFERS. A successful mail bidder known to us may contact our office at (415) 351-2124 for the information necessary to pay directly into the vendor bank account. Any additional charges resulting from processing payments by this method shall be borne by the buyer. Method of payment should be noted on the bid sheet.

VIII. Title shall not pass to the buyer until full payment is received by Schuyler J. Rumsey Philatelic Auctions, Inc.

IX. All of our lots are sold as genuine. Lots accompanied by recent (within 5 years of sale date) expert certificates are sold "as is" based on the description in the certificate. The aforementioned expertized lots may not be returned under any circumstances, including those instances in which subsequent certificates yield conflicting opinions. The accepted authorities for U.S. stamps are the Philatelic Foundation and the Professional Stamp Expertizing Committee, however we do not accept "graded" certificates, nor do we accept "encased" certified items.

X. All extensions must be paid in full, in advance. There will be no exceptions.

XI. All lots on extension must be submitted for expertizing by the auctioneer exclusively. Each lot is sold as genuine, except those described "as is". Expenses incurred for purposes of expertizing shall be borne by the purchaser except where the lot is found by said competent authority to be materially not as described, in which case the consignor will be responsible for expertizing costs incurred. Proof of the inability of said competent authority to express a definite opinion is not grounds for return of an item.

XII. Any lot, description of which is incorrect, is returnable (A) within three (3) days of receipt and (B) if received by Schuyler J. Rumsey Philatelic Auctions, Inc. within twenty-one (21) days from the date of the auction. All disputed lots must be returned intact, in the condition received; no adjustments will be made. The following lots are not returnable: lots containing ten (10) or more items; lots from purchasers OR THEIR AGENTS who had the opportunity to examine them before the auction; items described as having defects or of a quality standard "Very Good" (V.G.) or below; lots with disputed centering or margins when the item is photographed; lots described "as is".

## California State Sales Tax

XIII. The California State Sales Tax - or that of another state as ordered by the laws of such a state (as appropriate) - is payable by buyers liable to tax. See below.

XIV. JURISDICTION. In the event of any dispute between the auctioneer and bidders, or between any parties requesting inspection of any of the lots and the auctioneer, or between persons offering their lots to be auctioned and the auctioneer, the jurisdiction over the dispute shall be in the City and County of San Francisco, State of California.

XV. In the event of any dispute, the prevailing party shall be entitled to court costs and reasonable attorney's fees.

XVI. THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THE FOREGOING TERMS OF SALE.

Any lots purchased in California are subject to State Sales Tax unless:

1.) You have a signed resale card, with a verifiable California resale license number, on file with us prior to the Auction. (Note: customers presenting resale numbers the night of the auction will be subject to sales tax until their resale number can be certified with the State Board of Equalization - generally the following business day), OR

2.) You are not a California resident and your lots are being shipped to your out-of-state address.

Thank you for your cooperation.

*The 4¢ rate to France via British Open Mail, in effect from Jan 1, 1870 to August 1874, allowed prepayment of postage only to England; further carriage from England to and within France was entirely unpaid. This rate was essentially a stop-gap after the expiration (at the end of 1869) of the long-standing 1857 Postal Convention with France, which left the U.S. with no direct postal relations with France.*

# Confederacy - The Howell Cobb Papers

## HOWELL COBB OF GEORGIA

Born in 1815, Howell Cobb entered politics at an early age. A presidential elector at 21, he was elected to the House of Representatives six years later, serving from 1843 to 1851, the last three years as Speaker of the House. From 1851 to 1853 he was Governor of Georgia, then returned to Congress in 1855-1857. From 1857 until late 1860, he was Buchanan's Secretary of the Treasury.

Despite having been a strong Unionist for his entire career, Cobb resigned his cabinet post upon the election of Abraham Lincoln to the Presidency and returned to Georgia to be a major leader in the secession movement and then in the Confederacy. A delegate to the Provisional Confederate Congress at Montgomery, he was elected President of Congress by acclamation, served in that capacity for a year, then left politics forever for a military career. Simultaneously a Colonel and congressional delegate, he was soon promoted to Brigadier and ultimately, in 1863, Major General in the Confederate Army.

Between and during these careers, Cobb also managed to practice law and to involve himself extensively in his family's planting interests (several plantations with more than 800 slaves). His numerous relatives included many influential figures in both U.S. politics and the Confederacy; many of the following covers and letters are to and from such persons. The collection as a whole traces Cobb's entire career until his death at 53, in 1868.

- 1352  **Potomac Steamboat, Aug 1**, red eds with matching handstamped "Free" on cover franked in manuscript "Free, Howell Cobb", addressed to Mrs. Howell Cobb, Athens, Ga. (thus a second HC autograph in the address panel), no year date, but pencil docket on reverse states 1846 when Cobb was in his second Congressional term, and thus 5 years earlier than listed for this eds, a couple of trivial spots on address panel, **otherwise Very Fine**.  
Estimate ..... \$150-200.
- 1353  **Washington Railrd. ("d" raised), Dec 7**, sharp blue route agent's eds and matching handstamped "Free" on ea. 1846 cover to Athens, Georgia, manuscript "Free, Howell Cobb", addressed in same hand to Mrs. Howell Cobb, a couple of minor stains in address and very minor corner wear, **still Very Fine**.  
Estimate ..... \$200-300.  
*The route agent eds is very scarce, especially in conjunction with a free frank.*
- 1354  **Beverly, Va., March 22 (1848), Way 6**, the "6" crossed out and rerated "Free", manuscript postmark on three page folded letter addressed to The Hon. Howell Cobb, Hos. of Representatives, Washington City, contents from a woman claiming acquaintance with Cobb and seeking some sort of political appointment for her husband, minor soiling and vertical file fold clear of all markings, **F.-V.F. and rare**.  
Estimate ..... \$200-300.  
*This is the only recorded Way letter from this town. As a member of Congress, Cobb was entitled to receive, as well as send, mail free of postage. However, the postal laws indicate that this did not extend to the one cent way fee, but there is no indication that the fee was collected in this case.*
- 1355  **Free (above eds) Washington, D.C., 28 Feb**, integral red handstamp on 1849 cover with manuscript "Free, Howell Cobb", addressed to Mrs. Mary Ann Harden, Athens, Ga., tiny edge tear at left well clear of all markings, **otherwise Very Fine**.  
Estimate ..... \$100-150.
- 1356  **Free, Howell Cobb**, manuscript frank as Speaker of the House of Representatives, red "hooded" Free, Washington D.C., Jan 9 (1850) eds, cover addressed to Mrs. Howell Cobb, Athens, Ga., trace of light discoloration, **Very Fine overall**.  
Estimate ..... \$100-150.  
*Cobb became Speaker December 22, 1849, and Mrs. Cobb moved to Washington soon thereafter.*
- 1357  **Post Office Department, Official Business**, fancy black are and scroll imprint on legal sized 1850 cover addressed to Hon. Howell Cobb, Speaker, H. of R., original contents advise Cobb of the appointment of a new postmaster at Walnut Hill, Franklin County, Georgia; document signed by Fitz Henry Warren, 2nd Assistant Post Master General from 1849-1852, both cover and contents with some overall toning, but nonetheless attractive, **F.-V.F. and scarce**.  
Estimate ..... \$150-200.

- 1358 ☒ **Treasury Department, Official Business, First Comptroller**, black imprint on legal size envelope addressed to "Hon. Howell Cobb, Speaker Ho. of Reps." with endorsement at lower left "Politeness of Hon. Mr. Foot" (certainly Henry S. Foote, Senator from Mississippi at that time), no postal markings, enclosed are two signed handwritten letters from Elisha Whittlesey, who served as First Comptroller of the Treasury 1849-1857 and 1861-1863, both letters are fresh and very fine, the cover has a small scuff just clear of the imprint, **Very Fine overall**.  
Estimate ..... \$150-200.

*Cobb would later head the Treasury Department, as Secretary from March of 1857 until the election of Abraham Lincoln as President.*

- 1359 ☒ **Free, Howell Cobb**, manuscript frank as Speaker of the House with rather light red Washington "hooded" Free eds, addressed to Mrs. Howell Cobb at Macon, Ga., with very interesting three page enclosed letter in which Cobb discusses politics, the Washington social scene, etc., light overall cover toning, **otherwise F.V.F.**  
Estimate ..... \$150-200.

*"The tariff question has been sprung upon us - and it always creates great excitement. It was moved yesterday as an amendment to one of the appropriation bills, and today we shall have a struggle over it...Mrs. (Daniel) Webster with whom you have never met always asks me if you will not come on before the session moves, as she wants to become acquainted with you."*

- 1360 ☒ **1851 3c orange brown**, tied by red Atlanta, Ga., Oct 21 eds on 1851 folded letter to Hon. Howell Cobb, Athens, Geo., matching red Free alongside and stamp additionally canceled by black circular grid; at this time Cobb was serving as the 22nd Governor of Georgia, and no longer enjoyed the franking privilege, so the "Free" was no doubt struck in error, **Very Fine and attractive**.  
Scott No. 10 ..... Estimate \$100-150.

*The contents are from an office seeker wishing to become supervisor of roads at Atlanta.*

- 1361 ☒ **3c orange brown**, tied by green Roswell, Ga., Feb 1 (1852) eds on cover to "Gov. Howell Cobb, Milledgeville (sic) Ga." and endorsed "Private", on reverse is "J. A. Cobb Jr. Roswell" (Howell Cobb's father, then 69 years old), the stamp has been outlined in what appears the same ink as the address, light overall cover soiling, **F.V.F.**  
Scott No. 10 ..... Estimate \$100-150.

- 1362 ☒ **Athens, Ga., Nov 25 (1853)**, black eds and matching handstamped "5" on cover addressed to "Hon. Howell Cobb, Milledgeville, Georgia" and "Private" in what appears to be Mrs. Cobb's handwriting, **Very Fine and attractive**.  
Estimate ..... \$100-150.

*It appears that Cobb's wife chose to remain at Athens during most or all of Cobb's term as Governor of Georgia.*

- 1363 ☒ **Savannah, Ga., Dec 19/5**, sharp black eds on neat cover addressed to "His Excellency Gov. Cobb, Milledgeville", no year date, but clearly 1851 or 1852 during Cobb's tenure as Governor of Georgia, **Very Fine and attractive**.  
Estimate ..... \$75-100.

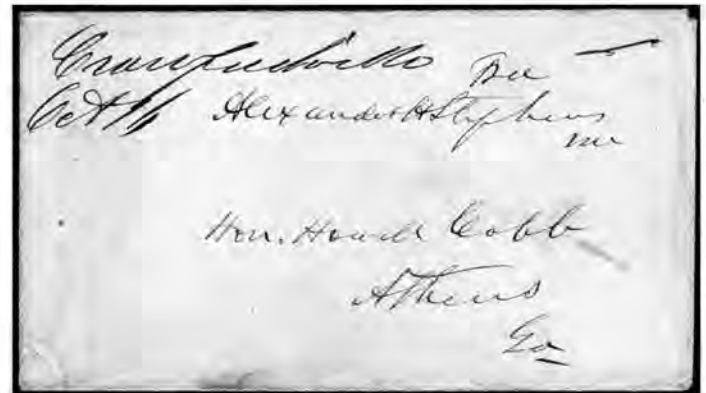

- 1364 ☒ **1855 letter from Cobb at Athens**, no cover, to his son John, concerning the payment of "a mortgage on some of my negroes", interesting historical content, illustrating the status of slaves as real estate, **F.V.F.** (no photo).  
Estimate ..... \$50-75.

*When this letter was written, Cobb was once again a member of the House of Representatives.*

- 1365 ☒ **Washington D.C./Free/Mar 31 1856**, black eds on cover endorsed "Free, Howell Cobb" as member of the House of Representatives, addressed to Mrs. Howell Cobb, Athens, Ga., enclosed letter refers to heavy Congressional workload, **Very Fine overall**.  
Estimate ..... \$75-100.

- 1366 ☒ **Washington, D.C./Free/May 5 1856**, black eds on cover endorsed "Free, Howell Cobb" addressed to Col. John B. Lamar, Macon, Georgia (Cobb's brother in law), the enclosed 8-page letter is actually from Cobb's wife, who had moved to Washington to join her husband, much detail about Washington society, and many references to historically important figures, **Very Fine overall**.  
Estimate ..... \$150-200.

*"Parties and receptions are given weekly by the elite of the Congressional, Judicial and Cabinet ladies...." After considerable discussion of Senator and Mrs. Toombs, she adds "I have taken much more pleasure in reciting this to you than I felt in the realization. We have called at the White House and all the Cabinet houses. I have failed to meet my friend Mrs. (Jefferson) Davis."*

- 1367 ☒ **Free, Alexander H. Stephens M.C.**, manuscript frank on cover with manuscript "Crawfordsville (Georgia), Oct 16" postmark, addressed to Hon. Howell Cobb, Athens, Ga., no year date but Stephens was a member of Congress from 1843 until 1859, a nice juxtaposition of two figures important in both the Federal government and the Confederacy, **Very Fine and scarce**.  
Estimate ..... \$150-200.

*The first and only Vice President of the Confederate States of America, Stephens was in fact a political rival of Howell Cobb (and Cobb's brother Tom), but as both represented the same state they often worked together and it was Cobb who swore in Stephens and Jefferson Davis at Montgomery. The greatest tension between the two arose from the fact that Stephens supported Stephen A. Douglas, instead of Cobb, for the Democratic presidential nomination.*

- 1368 ☒ **Free, Howell Cobb**, manuscript frank as Secretary of the Treasury on 1857 cover addressed to "Hon. A. H. Stephens, Crawfordsville, Ga.", no postal markings but likely postally carried from Washington, interesting docketing on back in Stephens' handwriting "Hon Howell Cobb, Washington D.C., 3 Sept 1857, Political, Mr. Stephens' letter - Thinks Linton Stephens will defeat Joshua Hill", backflap missing (not affecting docketing), minor soiling on front, **otherwise Very Fine**.  
Estimate ..... \$150-200.

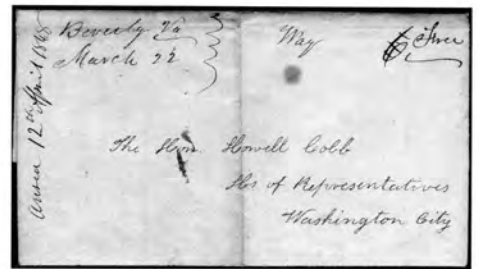

*It appears that at least this exchange was a cordial one.*

Stephens, Crawfordsville (sic) Ga., docketed on reverse in Stephens' hand "Howell Cobb, 8 Sept. 1858, Washington City, Cannot agree with Mr. Stephens about Hon. S. A. Douglas. Private", portion of backflap removed (not affecting docketing), slightly reduced at top, minor soiling, F.-V.F. and scarce.

Estimate ..... \$200-300.

*Note that Cobb is no longer "Honorable". At this point, Cobb and Douglas were the two leading contenders for the Democratic nomination for the Presidency in 1860. Though a fellow Georgian, Stephens supported Douglas (who represented Illinois but was himself born in Georgia), and this probably tipped the nomination toward the latter. Ironically, considering Cobb's later prominent role in the Confederacy, Stephens' main objection was that Cobb was too much of a Unionist!*

- 1370 ☒ **Free, S. A. Douglas**, manuscript frank on cover to Hon. Howell Cobb, Athens, Georgia, black 34.5mm "Washington, D.C./Free/Jan 29" (hollow letters) eds, no year date but this postmark is recorded as used from 1851 to 1854, thus probably before the rivalry between the two men became really heated, some very minor creasing and overall toning, **Almost Very Fine**.

Estimate ..... \$150-200.

- 1371 ☒ **Free, R. Toombs, U.S.S.**, manuscript frank on cover with somewhat indistinct blue Washington, Ga., Oct 2 (1855) eds, addressed to Hon. Howell Cobb, Athens, Georgia, **Very Fine and attractive**.

Estimate ..... \$100-150.

*Robert Toombs was U. S. Senator from Georgia from 1854 until 1861. He left the Senate informally when Lincoln was elected and was formally expelled in March 1861. In the meantime, he had strongly advocated adoption of Georgia's secession ordinance. The Montgomery Convention would have considered him for President of the Confederacy, but he declined. Like Cobb, he ultimately became a General in the Confederate army. For a dozen years, Toombs, Stephens and Cobb were the three most prominent men in Georgia politics.*

- 1372 ☒ **3c dull red, type II**, tied by circular grid on cover addressed in Howell Cobb's handwriting to his brother John Cobb in Athens, Georgia, black Washington D.C./Free/Oct 29 1860 eds at left (this "free" marking was apparently used indiscriminately on prepaid mail, especially that emanating from certain government offices), the stamp with small corner faults, F.-V.F.

Scott No. 26 ..... Estimate \$75-100.

*At this time, Lincoln was about to be elected President and Cobb was about to resign as Buchanan's Secretary of the Treasury. It is unclear whether cabinet members had the personal, as opposed to official, franking privilege at this date, but the absence of any frank indicates that it is not an overweigh usage.*

Cobb had been a strong Unionist through the 1850s, but Lincoln's election signaled that a sectional party (Republican), with a sectional agenda dangerous to the South, had come into power. In December 1860 Cobb declared "Equality and safety in the Union are at an end ... this issue must now be met, or forever abandoned." A bit later, he said "Black Republicanism has buried brotherhood in the same grave with the Constitution." With these words, he left Federal service to give full allegiance to his native South. Having just recently been a serious contender for President of the United States, he now became an equally serious prospect for President of the Confederacy. Tainted by his previous Unionism, however, he declined to be a candidate. This may have changed the course of history: the Confederate government and Congress were greatly weakened by the fact that so many of its most able members (like Cobb) elected to leave to pursue military careers.

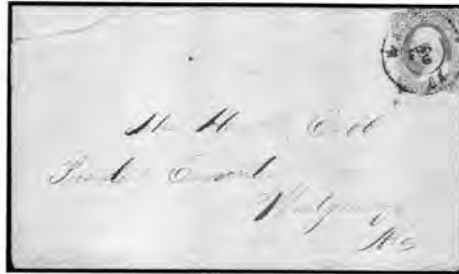

- 1373 ☒ **American Telegraph Company**, colorless embossed 56mm oval on cover addressed to John B. Lamar, original enclosed telegram, from Columbus, Ga. to Macon, reads "Give all the election news you have for this state. John Howard. Geo. Miller.", minor cover wrinkles, **Very Fine and rare**. A.S.C.C. No. 280.

Estimate ..... \$200-300.

*This telegram is dated January 4, 1861. On January 2, Georgians voted for delegates to a convention called for January 16 to consider the question of secession from the United States. The Macon home of John B. Lamar, Howell Cobb's brother in law, had been a "hot bed of secession" and many plans for the convention were worked out there. The state of Georgia seceded on January 18, 1861.*

- 1374 ☒ Macon, Ga., Feb 6 (1861), double cds ties 3¢ red adhesive on cover addressed to "Hon. Howell Cobb, President Convention, Montgomery, Ala", a nice example of a U.S. stamp used on the third day of the Confederacy, small sealed cover tear at upper left, well clear of all markings, otherwise Almost Very Fine.  
Scott No. 26 . . . . . Estimate \$100-150.

The Confederate States of America came into existence on February 4, 1861, at Montgomery, Alabama. Thanks to the telegraph, it was already known in Macon that Cobb had been elected president of the convention. The U.S. post office, of course, continued to operate the mails in the seceded states until June 1.

- 1375 ☒ Texas Sen. Louis K. Wigfall, a historically important two-page letter (no cover) datelined Washington D.C., February 8, 1861 and addressed to Howell Cobb as president of the Montgomery convention; Wigfall introduces two young Texans, Felix H. Robertson and John F. O'Brien, who had just left their Senior classes at West Point in order to offer their services to the South, he then goes on to say "Texas having so far as I am advised no representation at Montgomery, I must rely on my friend (i.e., Cobb) to see that she is properly taken into account", Very Fine and scarce.  
Estimate . . . . . \$100-150.

Louis K. Wigfall was U.S. Senator from Texas from 1859 until March of 1861. When he wrote this letter the Texas legislature had already voted (on February 1) to secede, but the popular vote did not take place until February 23, with an effective date of March 2. Thus Texas was still in the Union, and Wigfall was still in office, although it is patent where his sympathies lay.

Felix H. Robertson became a Brigadier General in the Army of Tennessee on July 26, 1864.

- 1376 ☒ Etowah, Ga., Feb 11 (1861), M.A. Cooper, PM, a most unusual and rare postmaster's free frank used in the Confederacy, on cover addressed to Cobb as president of the convention at Montgomery; while the U.S. post office granted the franking privilege to local postmasters, the Confederate States abolished it (along with virtually all free franking), so examples can only exist prior to June 1, 1861, Very Fine and choice.  
Estimate . . . . . \$500-750.

- 1377 ☒ **Mobley Pond, Ga., March 1 (1861).** Free, Thos. R. Smelie, P.M., a very interesting and problematical postmaster's free frank used in the Confederacy, on yellow cover addressed to Hon. Howell Cobb, Montgomery, Alabama; as explained below, there is a real question regarding the legality of this free franking, but it seems likely that the issue was just as confused then as now, **Very Fine and attractive.**  
Estimate ..... \$500-750.

*The Confederate Congress abolished nearly all free franking by Section 5, Act of February 23, 1861, C.S.A., and not by the postal act of March 15. It is unclear when the February act went into effect, but it can be read as having become effective the same day it was passed. If so, a postmaster's frank after that date would be invalid. On the other hand, the United States continued operating the postal service until June 1, which would seem to make the frank valid. In any event, most Southern postmasters seem to have abandoned the practice well before June 1, as such franks are quite rare.*

- 1378 ☒ **Augusta, Ga., Feb 12 (1861),** black eds cancels 3¢ Star Die entire addressed to Honble Howell Cobb, President Southern Congress (note that the Convention has now transformed into a Congress), Montgomery, Ala, the only example we record of a Confederate Star Die usage from Augusta, possibly unique, **Very Fine and attractive.**  
Scott No. U26 ..... Estimate \$200-300.

- 1379 ☒ **Rome, Ga., Feb 12 (1861),** black eds ties 3¢ red adhesive on cover to Hon. Howell Cobb, President, Southern Congress, Montgomery, Alabama, an attractive Confederate usage of U.S. stamps, **Very Fine.**  
Scott No. 26 ..... Estimate \$100-150.

*Like the previous cover, this has the added interest of being postmarked on Lincoln's birthday — not yet a legal holiday, of course, and certainly not in the Confederacy!*

- 1380 ☒ **Philadelphia, Pa., Feb 14, 1861,** octagonal postmark on cover with embossed corner card of Continental Hotel, Philadelphia, circular grid cancels 3¢ red adhesive, cover addressed to Hon. Howell Cobb, Montgomery, Ala., an interesting example of north-to-south mail, especially considering that it was addressed to a well known figure then engaged in what most northerners regarded as high treason, **Very Fine.**  
Scott No. 26 ..... Estimate \$75-100.

- 1381 ☒ **Savannah, Ga., Feb 22, 1861,** duplex eds ties 3¢ red adhesive (with guideline at right) on cover to Hon. Howell Cobb, President Southern Congress, Montgomery, Alabama, sealed cover tear at top crosses part of eds, **otherwise Very Fine.**  
Scott No. 26 ..... Estimate \$100-150.

- 1382 ☒ **Washington, D.C., Feb 25, 1861,** eds ties 3¢ red adhesive on cover addressed to Hon. Howell Cobb, Montgomery, Alabama, another example of northern mail to the Confederate congress, **Very Fine.**  
Scott No. 26 ..... Estimate \$75-100.

- 1383 ☒ **Washington, D.C. (date unclear) 1861,** probably post-secession, eds with matching circular grid tying 3¢ red adhesive on cover to Mrs. Howell Cobb, Macon, Georgia (Mary Ann Cobb went to Macon to stay with her brother when Cobb left for Montgomery), straight line "Due 3" struck at left, indicating that the letter was overweight, stamp with perf faults, **otherwise F.V.F.**  
Scott No. 26 ..... Estimate \$50-75.

- 1384 ☒ **Montgomery, Ala., Feb 26 (1861),** bold eds cancels 3¢ Star Die entire addressed to Col. John B. Lamar, Macon, Geo., good enclosed letter from Thomas R. R. Cobb, discussing various political matters and the Montgomery congress, a nice Confederate Star Die usage, small closed opening tear partly into indicia, **otherwise Almost Very Fine.**  
Scott No. U26 ..... Estimate \$150-200.

*John B. Lamar was the brother of Mary Ann Cobb, thus Howell's brother in law. Active in politics, he was fatally wounded at Crampton's Gap in September 1862. Thomas R. R. Cobb was Howell's younger brother, and was also a delegate to the Montgomery convention. He became a Confederate general, and was killed by a sniper in December 1862.*

- 1385 ☒ **Letter of introduction,** dated February 28, 1861 (no postal markings on cover) from Edward R. Hardin at Dalton, Georgia to Howell Cobb at Montgomery, hand carried by and introducing Col. Edward R. Thomas, who "as you are probably aware distinguished himself in Mexico, is a gallant soldier, and would render efficient service to his country (i.e., the Confederacy)...", **Very Fine.**  
Estimate ..... \$100-150.

*The application was successful. Thomas became a Brigadier General on November 1, 1862.*

- 1386 ☒ **Edenton, N.C., Mar 6 (1861),** sharp eds on cover addressed to Hon. Howell Cobb, Pres. of the Congress of Confederate States, Montgomery, Ala., black circular grid cancels 3¢ red adhesive, an interesting example of Union mail from North Carolina to the Confederacy, **Very Fine and scarce.**  
Scott No. 26 ..... Estimate \$200-300.

*Although mostly surrounded by Confederate states from February 4, North Carolina did not in fact secede until May 20, and was not admitted to the Confederacy until May 27. This cover is therefore neither an independent state nor Confederate usage, but rather a letter from the Union to the Confederacy.*

- 1387 ☒ Columbus, Ga., Mar 14 (1861), cds ties 3¢ red adhesive (perf faults) on small cover to Howell Cobb at Montgomery, from a friend seeking a military appointment and expressing an eagerness to fight, an interesting historical glimpse at the level of sentiment, some cover soiling, otherwise F.-V.F. Scott No. 26 . . . . . Estimate \$100-150.

"I see that the Pres. has demanded 5000 troops of the States. I suppose from this that active operations will now commence. Have you interest enough with the Generals appointed to secure for me a place upon the staff of one of them? I am anxious to be in such a position if there is actually to be a fight."

- 1388 ☒ Montgomery, Ala., Feb 15, 1861, clear single strike ties vertical strip of three 1¢ Type V adhesives on cover addressed in Howell Cobb's handwriting to his son John A. Cobb at Macon, Georgia; the stamps are positions 10-20-30 from the left pane of Plate 10, with full vertical gutter at right strikingly showing the interpaneau characteristics of these positions, the bottom stamp unfortunately seriously faulty, but the others entirely sound, otherwise Very Fine. Scott No. 24 . . . . . Estimate \$300-400.

A scarce position piece, and a seldom encountered Confederate use of 1¢ stamps.

- 1389 ☒ **Montgomery, Ala., Mar. 24, 1861**, black cds ties 3¢ adhesive on cover addressed to Hon. Howell Cobb, Athens, Georgia; at Athens, a second 3¢ stamp was added along with the Athens cds and the letter was forwarded to Macon, the cover has been used to add some numbers (clear of stamps and markings), otherwise **Very Fine**.  
Scott No. 26 . . . . . Estimate \$200-300.

*Cobb had taken a short recess from the Confederate Congress, but had gone to his brother in law's Macon home rather than to his own home at Athens. An unusual combination of Confederate usage of U.S. stamps for both mailing and forwarding.*

- 1390 ☒ **Savannah, Ga., Apr 12 1861**, black cds ties 3¢ adhesive on cover to Hon. Howell Cobb, Montgomery, Alabama, **mailed on the day Fort Sumter was fired upon**, of equal interest is another strike of the same Savannah duplex cds on the reverse of the cover, but dated April 6, 1861, the precise meaning of which is unclear, **Very Fine and scarce**.  
Scott No. 26 . . . . . Estimate \$300-400.

*The backstamped cds invites speculation, as such markings are most often associated with handstamped postmasters' provisionals. While there is no evidence that this was any sort of provisional usage, the Savannah post office did indeed issue many such provisional envelopes after June 1. Might this have been some kind of experiment in anticipation of that event? Further study is certainly indicated.*

- 1391 ☒ **Augusta, Ga. (month illegible) 16**, black cds on 3¢ first Nesbitt issue entire, addressed to Hon. Howell Cobb, Prest. Sou. Congress, Montgomery, Ala., the month is not legible, but the use of the term "Congress" probably rules out February and the use of U.S. postage means it can be no later than May (we think March most likely), very light overall toning along laid lines, **F.-V.F.**.  
Scott No. U10 . . . . . Estimate \$100-150.

- 1392 ☒ **Athens, Ga., May 13 (1861)**, black cds on cover franked with strip of three 3¢ Type 2 adhesives, addressed to Hon. Howell Cobb, President of the Congress, Montgomery, Alabama, the cover repaired and a small sealed tear just crosses cds at one point, one end stamp with perf faults, **F.-V.F. appearance**.  
Scott No. 26 . . . . . Estimate \$200-300.

*A scarce Confederate use of a 3¢ multiple.*

- 1393 ☒ **??? Ga., May 12 (1861), 3**, all in manuscript on cover addressed to Hon. Howell Cobb, Montgomery, Ala., the town name not deciphered but apparently ending in "...ssee", the "3" presumably prepaid despite lacking any marking to that effect, apparently a small office with no stamps (just before the Confederate rates went into effect) and no way to obtain more, interesting and worth additional research, **Very Fine**.  
Estimate . . . . . \$200-300.

- 1394 ☒ **Cuthbert, Ga., May 14 (1861)**, clear black cds ties 3¢ adhesive with **double perforations at top** on yellow envelope addressed to Hon. Howell Cobb, Montgomery, Ala., small sealed cover tear at upper left far from stamp, postmark and address, **Very Fine and attractive**.  
Scott No. 26 . . . . . Estimate \$200-300.

*Confederate usage of U.S. stamps has not previously been reported from Cuthbert, and we find no record of any other example.*

- 1395 ☒ **West Point, Ga., Jun 13 (1861)**, black cds with matching handstamped "Paid" and manuscript "5" on cover addressed to Mrs. Howell Cobb, Athens, Georgia, enclosed three page letter discusses, *inter alia*, the birth of a baby weighing 11½ pounds (!), minor cover soiling, carriage during second week of the Confederate postal service, **F.-V.F.**.  
Estimate . . . . . \$100-150.

- 1396 ☒ **West Point, Ga., 11 Sep (1861)**, somewhat indistinct black cds with matching handstamped "Paid" and manuscript "10" on cover addressed to Col. Howell Cobb, Richmond, Virginia, at this time Cobb was serving both as a colonel in the Confederate army and as a delegate to the Confederate congress, **F.-V.F.**.  
Estimate . . . . . \$75-100.

- 1397 ☒ **Cartersville (or Cassville) Ga., Jun 28 (1861)**, blue cds with matching handstamped "Paid" and "10" on cover addressed to Hon. Howell Cobb, Richmond, Virginia, tiny piece missing at upper right corner, otherwise **Very Fine**.  
Estimate . . . . . \$150-200.

- 1398 ☒ **Augusta, Ga., July 1861**, a lovely pair of matched covers addressed to Cobb, one at Athens and the second at Richmond, the first with handstamped "Paid 5" and the second with handstamped "Paid 10", nicely illustrating the under- and over-500 miles rates, **Very Fine and attractive**.  
Estimate . . . . . \$200-300.

- 1399 ☒ **Savannah, Ga./Paid/Jul 15 1861**, black cds with matching "Paid 10" in oval on cover addressed to Hon. Howell Cobb, Richmond, Virginia, with added endorsement "Private & Important", minor repaired opening tear at top, otherwise **Very Fine**.  
Estimate . . . . . \$100-150.

- 1400 ☒ **Norfolk, Va., July and August, 1861**, a nicely matched pair of covers addressed to Richmond and to Athens, Ga., respectively, each with blue cds and matching "Paid" in circle, the first with handstamped 5 and the second with handstamped "10", both covers are somewhat tattered, otherwise **Generally Fine** (no photo).  
Estimate . . . . . \$100-150.

1401 ☒ Forsythe, Geo., Jul 23 (1861), crisply struck black cds and manuscript Paid/5 Cts on clean cover addressed to Mr. J. B. Lamar, Macon, Bibb Co., Ga., **Very Fine and attractive.**  
Estimate . . . . . \$100-150.

1402 ☒ Americus, Ga., Jul 26 (1861), black cds with matching handstamped "Paid" and "5" on cover to Col. John B. Lamar, Macon, Geo., minor soiling and edge wear, **generally F.V.F.**  
Estimate . . . . . \$75-100.

1403 ☒ Athens, Ga., Aug 16 (1861), black cds and matching handstamped "Paid" and "5", under 500 miles rate to Col. John B. Lamar, Macon, Georgia, additional endorsement "Via Augusta", **Almost Very Fine.**  
Estimate . . . . . \$100-150.

The "Via Augusta" instruction is puzzling. Had it been later in the war, one would surmise that it was due to military activities, but at this date there were no mail interruptions in Georgia, at least so far as is known.

- 1404 ☒ **Athens, Ga., Aug 6 (1861)**, black eds and matching handstruck "10" and "Paid", over 500 miles rate on neat cover to Hon. Howell Cobb, President of Congress, Richmond, Virginia, **Very Fine and attractive**.  
Estimate ..... \$100-150.

- 1405 ☒ **Americus, Ga., Aug 11 (1861)**, black eds with matching "10" in oval on cover addressed to Sergt. E. J. Eldridge, care of Captain A. S. Cutts, Sumter Flying Artillery Ga. Volunteers, Manassas Junction, Virginia, the address lightly crossed in pencil and "Pd 10" added, presumably showing delivery to and payment by the addressee, fascinating 4½ page contents from Eldridge's wife, discussing military and family affairs, tiny cover scuff, **otherwise Very Fine**.  
Estimate ..... \$100-150.

*Dr. Erwin James Eldridge later became Staff Surgeon for the 16th Georgia Regiment and a close friend of Howell Cobb.*

*This letter was sent three weeks after the first Battle of Manassas (called Bull Run in the north), which was a great Confederate victory. There was much optimism that Washington would soon fall and the war be over, which context makes the letter even more interesting.*

- 1406 ☒ **Athens, Ga., Aug 24 (1861)**, black eds with matching handstamped "Paid" and "10" (over 500 miles rate) on cover addressed to Mr. Lamar Cobb, Care of Col. Howell Cobb, Richmond, Virginia, portion of backflap missing, **otherwise Very Fine**.  
Estimate ..... \$100-150.

*Howell Cobb had become a colonel on July 15, 1861, and had begun training his 16th Georgia Regiment at Camp Cobb in Richmond. Lamar was still a private, hence the appellation "Mr."*

- 1407 ☒ **Richmond, Va., Sep 9, 1861**, black Type 2 eds with matching "Due 10" on cover with manuscript endorsement John A. Cobb, Q.M. Sergt. 16th Regt. Ga. Vol(unteers), addressed to Col. John B. Lamar, Macon, Georgia and docketed "John A. Cobb wants 250\$ sent to M.A.C. to pay for black horse", **Very Fine overall**.  
Estimate ..... \$75-100.

*John A. Cobb was Howell's son and the addressee's nephew. Officers could send mail collect by signing only their name and rank, but lower ranks were required to also identify the unit in which they served.*

- 1408 ☒ **Athens, Ga., Sep 7 (1861)**, black eds with matching handstamped "Paid" and "10" (over 500 miles rate) on clean cover to Lieutnt. John B. Cobb, Cobb's Georgia Legion, Richmond, Virginia, cover very slightly reduced at right, **otherwise Very Fine**.  
Estimate ..... \$75-100.

- 1409 ☒ **To the Honble. Howell Cobb, Richmond, Va.**, hand carried cover "pr Mr. Harris" with contents datelined Pinckneyville (presumably South Carolina), complaining that the Postmaster General "through the instrumentality of some designing roguish rascals I know not who" had discontinued Mail Route No. 6168, and asking Cobb's help in getting this action rescinded, a little minor water spotting, **Very Fine overall**.  
Estimate ..... \$150-200.

*It is unclear why this letter was sent to Cobb, unless the writer was a personal acquaintance. In any event, an interesting glimpse into the Confederate postal system, which was intended to be self-supporting from the outset.*

- 1410 ☒ **Augusta, Ga., Dec 17 (1861)**, double eds with matching handstamped "Paid" and "5" on cover addressed to Col. Howell Cobb, Army of Peninsula, Yorktown via Richmond, Virginia, additional "Due 5" added in manuscript, as the distance from Augusta to Yorktown via Richmond was over 500 miles, two opening tears at top, **otherwise F.V.F.**  
Estimate ..... \$75-100.

- 1411 ☒ **Yorktown, Va., Oct 31 (1861)**, clear eds and pencil "10" due rate on cover endorsed Howell Cobb, Col. 16th Ga. Reg., addressed to Cobb's wife at Athens and correctly rated for over 500 miles, minor soiling, **otherwise Very Fine**.  
Estimate ..... \$100-150.

- 1412 ☒ **Richmond, Va., Dec 6, 1861**, Type 2 eds and handstamped "Paid 10" on cover endorsed "Howell Cobb, M. C.", most unusual as Cobb by this time invariably used his military rank in such endorsements, although he was in fact still sitting also as a member of the Confederate congress, addressed to Mrs. Cobb at Athens, **Very Fine and attractive**.  
Estimate ..... \$100-150.

- 1413 ☒ **Athens, Ga., Dec 7 (1861)/Paid**, black eds, additional "Paid", "5" canceled by "10" and a second "10", all handstruck, on cover addressed to Lamar Cobb, Sergt. Maj., 16th Ga. Reg. Col. Howell Cobb, Yorktown, Va., tiny cover tear at top free of all markings, **otherwise Very Fine**.  
Estimate ..... \$200-300.

*Some authorities have speculated that this is a handstamped postmaster's provisional entire, rather than a corrected rate. We do not exclude this possibility, but we feel that more evidence is needed before claiming it as fact.*

- 1414 ☒ **New Orleans, La., 1861 5c brown, pair**, large margins to nearly touching at left, tied by slightly blurred New Orleans, La., 20(?) Jun (1861) on cover addressed to Hon. Howell Cobb, Athens, Georgia, trivial cover reduction at left, **F.V.F. and attractive**.  
Scott No. 62X3 ..... Estimate \$400-600.

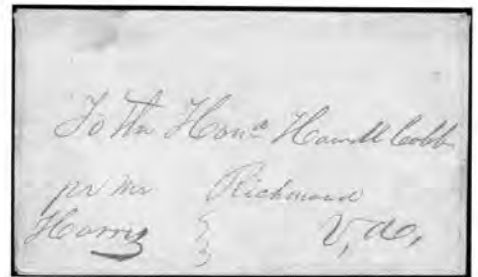

*The precise date is not entirely clear, but "Jun" is. This stamp was issued June 18, 1861.*

- 1415 ☒ Greensborough, Ga., Feb 15 (1862), black eds with matching straight line "Paid" and large "5" in circle, on cover addressed to Mrs. Cobb at Macon, with lengthy ten page letter from a woman friend who discusses patriotism, Cobb's promotion to Brigadier General, civilian hardships in wartime, etc., a marvelous letter, Very Fine and choice. Estimate . . . . . \$150-200.

The writer expresses her "alarm at the apathy I have observed for sometime — enthusiasm has all died out ... where are our Prayer Meetings that God would bless our soldiers and give them strength to conquer?...I was pleased to see a ray of sunshine in the Telegraph this morning — the promotion of your excellent husband — tho it is a tardy honor 'better late than never' & if the impediment to this sheer case of justice was the Sec. of War so I have heard it intimated, I am glad to see the President has risen superior to such despicable littleness." At this time Judah P. Benjamin was Secretary of War.

- 1416 ☒ 1861 5¢ green, margins to just in at bottom right, tied by Savannah, Ga., Feb 26/Paid eds on neat cover addressed to Mrs. Lamar Cobb at Macon, Georgia, F.-V.F. and attractive. Scott No. 1 . . . . . Estimate \$150-200.

- 1417 ☒ 1862 5¢ light blue, De La Rue printing, tied by black Savannah, Ga., Jun 3, 1862/Paid eds on cover to Major Lamar Cobb at Athens, the last month of the 5¢ rate, light creasing, one affecting stamp, generally Fine. Scott No. 6 . . . . . Estimate \$75-100.

- 1418 ☒ Confederate States of America, Treasury Department, Register's Office, Dietz Type III imprint on white cover postmarked Richmond, Va., Mar 4, 1862 with matching two line Paid/5 Cts, addressed to Hon. Howell Cobb, President Congress, Montgomery, the address crossed out and readdressed Yorktown, Virginia, Very Fine and scarce. Estimate . . . . . \$300-400.

The cover must have been readdressed before mailing, as the rate from Richmond to Montgomery was ten cents. Cobb was no longer President of Congress, as the provisional congress ended and the permanent one began on February 22.

- 1419 ☒ **Suffolk, Va., Mar 21 (1862)**, sharp black eds and matching handstruck "10" on yellow cover endorsed Howell Cobb, Brig. Genl, C.S.A., addressed to Mrs. Cobb at Macon, Georgia, excellent four page letter enclosed dealing almost entirely with military affairs, **Very Fine and choice**.  
Estimate . . . . . \$100-150.

*"For the last three days I have been in my saddle all day exploring the country around and selecting proper places to meet the enemy when they come...All we know is that General Burnside with his force — said to be large — is at Roanoke Island and threatens an attack. We shall give him a warm reception when he comes...The victory of the Merrimac is a stern blow upon the Yankees. We have the first news today of the great battle of the West..."*

- 1420 ☒ **Goldsborough, N.C., Mar 31 (1862)**, black eds with manuscript "Due 5" altered to "Due 10", endorsed Howell Cobb, Brig Genl, CSA and addressed to Mrs. Cobb at Macon, Georgia, such altered rates are not common, **F.-V.F.**  
Estimate . . . . . \$200-300.

- 1421 ☒ **Goldsborough, N. C., Apr 12 (1862)**, black eds and manuscript "Due 10" on cover endorsed John A. Cobb, Aide-de-Camp, addressed to Mrs. Howell Cobb at Macon, Georgia, **F.-V.F.**

Estimate . . . . . \$75-100.

*Mailed on the first day of the Seven Days Battle, which culminated in the Battle of Malvern Hill. This cover was carried to Richmond by military courier from the front.*

- 1423 ☒ **1862 5¢ blue, Stone 3**, margins close except sheet margin at bottom, tied by Macon, Ga. eds of (?) 28 (1862), the month not readable, but the earliest known use of this stamp is March 22, 1862, and the rate increased to ten cents July 1, addressed in Cobb's handwriting to Mrs. Howell Cobb, Athens, Georgia, **F.-V.F.**  
Scott No. 4 . . . . . Estimate \$100-150.

- 1424 ☒ **1862 10¢ deep rose**, tied by Richmond, Va. Aug 26, 1862 eds on **homemade** cover to Mrs. H. B. Cobb, Athens, Georgia, the stamp a lovely shade with mostly large margins, but a margin tear at right extends into the design, **Almost Very Fine appearance**.  
Scott No. 5 . . . . . Estimate \$300-400.

- 1425 ☒ **Junction, Va., Aug 27, 1862**, two covers with identical manuscript postmarks, both mailed to Athens, Georgia, the day before the Second Battle of Manassas, the first from a private in Company D, Cobb's Georgia Legion, the second (which is faulty) from Howell Cobb to his wife, **the first cover Very Fine**.  
Estimate . . . . . \$150-200.

*Both of these covers were carried by military courier to the post office at Hanover Junction, Virginia.*

- 1426 ☒ **Gordonsville, Va., Sep 12, 1862**, black eds with matching "Due 10" in arc on cover endorsed Howell Cobb, Brig. Genl, CSA, addressed to Mrs. Howell Cobb, Athens, Georgia, carried by military courier to Gordonsville from Cobb's encampment at Crampton's Gap, **F.-V.F. and scarce**.  
Estimate . . . . . \$150-200.

Estimate . . . . . \$400-500.

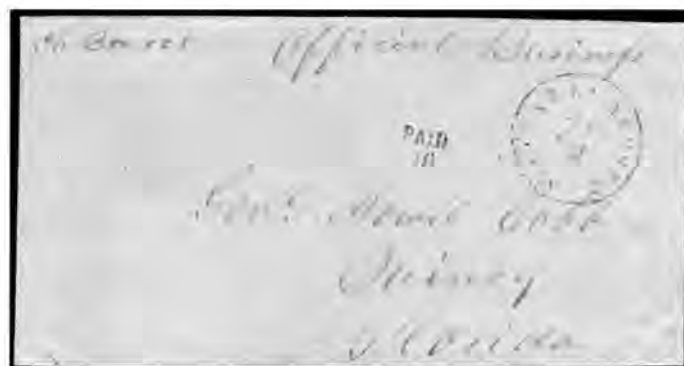

*Howell Cobb was briefly invalided, and turned command of his brigade over to his younger brother. On Lee's recommendation Thomas Cobb was commissioned Brigadier General on November 6, 1862, but after serving at this rank for only a month he died on December 13 of wounds sustained at Fredericksburg. Covers with Thomas Cobb's endorsement are rare.*

- 1428 ☒ **West Point, Ga., 7 Oct (1862)**, matching handstamped "Paid" and pencil "10" on cover to Mrs. Mary Ann Cobb, Athens, Georgia, enclosing a poignant letter of sympathy over the death of her brother, Col. Estimate . . . . . \$100-150.

*The writer, John C. Whitner, was married to Howell Cobb's sister Mattie.*

- 1429 ☒ **1862 5¢ light blue, De La Rue printing, horizontal pair**, tied by indistinct Athens, Ga. eds on small cover to Maj. John Cobb, Gen. Cobb's Staff, Quincy, Fla., **Very Fine overall**.

Scott No. 11 . . . . . Estimate \$75-100.

Scott No. 11a . . . . . Estimate \$75-100.
- 1434 ☒ **1863 10¢ blue**, four margins, tied by Athens, Ga., Sep 5 (1863) eds on neat cover to Maj. Lamar Cobb, Quincy, Fla., letter written at Sulphur Springs, Georgia, fancy embossed "AON" on backflap, Very Fine and attractive.  
Scott No. 12 . . . . . Estimate \$100-150.

- 1435 ☒ **Turned adversity cover**, Richmond, Va., Jan 3, 1863, Type 4 eds and matching handstruck "Due 10" on cover endorsed "From Private Wm. C. Hauser, Cobbs Ga. Cavalry" addressed to Mrs. E. M. Hauser, Barton, Ga., the cover made from a sheet of ledger paper, this being the second use; on the inside addressed "Private Wm. C. Hansen, Courier to Gen. McLaws, near Fredericksburg, Virginia, Richmond, Virginia" apparently carried by military courier as there are no postal markings, Very Fine for this.  
Estimate . . . . . \$200-300.

*The Richmond eds was used for only four months. This cover is also interesting for its reference to "Cobbs Ga. Cavalry", which must refer to Brigadier General Thomas R. Cobb (Howell's brother), who had been killed at Fredericksburg on December 13, 1862.*

- 1436 ☒ **Runaway slave letter**, datelined Albany, Ga., August 27, 1863, and signed by the Jailor of Dougherty County, Georgia, addressed to Genl. H. Cobb and concerning a "Negro Boy" taken into custody while sick, evocative and disturbing contents (no cover) written on torn out ledger page, **Very Fine and scarce**.  
Estimate . . . . . \$200-300.

*"I taken a Negroe Boy up in the streets on yesterday he says he belongs to you, says his name is Gabriel — he says he was sent to look for some mules...if he is your boy pleas say what I shall do with him — he had no pass...."*

- 1437 ☒ **1863 10¢ blue**, Archer & Daly printing, tied by Columbus, Ga., Sep 12 (1863) eds on cover addressed to Genl. Howell Cobb, Montgomery, Ala., missent to Montezuma, Georgia, where it received a September 14 handstruck postmark plus the manuscript notation "missent & ford", **Very Fine and scarce**.  
Scott No. 11 . . . . . Estimate \$200-300.

- 1438 ☒ **1863 10¢ blue**, tied by Atlanta, Ga., Sep 20 (1863) eds on cover addressed in Cobb's handwriting to Mrs. Howell Cobb, Athens, Georgia, stamp with part sheet margin at top, **F.V.F.**  
Scott No. 11 . . . . . Estimate \$75-100.

*Cobb was promoted to Major General on September 9, 1863.*

- 1439 ☒ **1863 10¢ blue**, margins to just cutting, tied by Atlanta eds on intact envelope with semiofficial imprint **Head-Quarters, Georgia State Guard**, addressed in pale ink to Mrs. Howell Cobb, Athens, Georgia, the envelope apparently used contrary to regulations, **F.V.F. and scarce**.  
Scott No. 11 . . . . . Estimate \$200-300.

*These envelopes were to be used only for official business, not private correspondence.*

- 1440 ☒ **1863 10¢ blue**, a similar cover to the preceding lot, with strong Atlanta eds for November 19, 1863 tying adhesive, a little cover toning at lower left, **otherwise F.V.F.**  
Scott No. 11 . . . . . Estimate \$200-300.

*The paleness of the address probably results from the unavailability of commercial ink, when many homemade substitutes were employed.*

- 1441 ☒ **St. Marks, Fla., May 30 (1863)**, black eds and matching handstamped "Paid" on turned cover to Macon, Georgia, the first use from Thomasville, Georgia to St. Marks franked with 10¢ blue, the St. Marks eds is a little incomplete, but a very rare marking with only 1-3 examples known, **F.V.F. and rare**.  
Scott No. 11 . . . . . Estimate \$400-600.

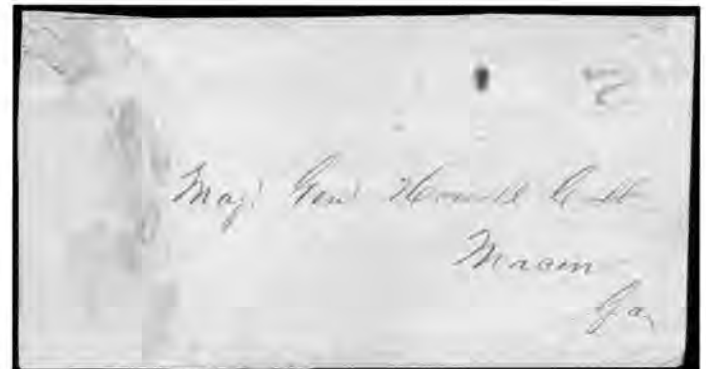

- 1442 ☒ **1863 10¢ blue**, tied by Atlanta, Ga., Dec 4 (1863) eds on cover addressed to Maj Genl Howell Cobb, Richmond, Va.; below this a different hand has added in magenta ink **"Care of Col. Brown, A.D.C. to The President"**, on the reverse is written in the same hand and ink **"Forwd PM, A. C. Wall, C.C. at I.G.O."**, the precise meaning of which we have not determined, the cover has been cleaned, **otherwise Very Fine**.  
Scott No. 11 . . . . . Estimate \$200-300.

*William M. Browne, aide-de-camp to Jefferson Davis, was a highly political and rather mysterious Englishman who had cast his lot with the Confederacy. Cobb had come to Richmond in an effort to influence selection of the next commander of the Army of Tennessee, and was Browne's houseguest.*

- 1443 ☒ **Head-Quarters, Georgia State Guard**, Dietz Type 1 imprint on neat cover to Capt. A. F. Pope (Care of Maj. Genl. H. Cobb), Atlanta, Ga., a 10¢ blue adhesive affixed at upper right but not canceled, no postal markings, so probably carried by military courier within Atlanta, **Very Fine and attractive**; signed Stanley B. Ashbrook on reverse.  
Scott No. 11 . . . . . Estimate \$150-200.

*Cobb was promoted Major General effective September 9, 1863, although the appointment was not made until either December 1863 or January 1864, thus this is probably an early 1864 usage.*

- 1444 ☒ **1863 10¢ blue**, sheet margin copy tied by Athens, Ga., Jan 30 (1864) eds on cover to Capt. A. F. Pope, Atlanta, Ga., with manuscript **"Care Ge. Cobb"** at lower left, **Very Fine and attractive**.  
Scott No. 12 . . . . . Estimate \$100-150.

- 1445 ☒ **Wallpaper Postmaster's Provisional (?)**, neat wallpaper cover addressed to Maj. Gen. Howell Cobb, Macon, Ga. (backflap missing), no town postmark, but handstamped "Paid" above separately handstamped "10" struck diagonally in black in the extreme upper right corner; on the reverse, the same handstamps struck a second time in the extreme lower left corner, the markings apparently those used at Athens, Georgia in the first months of the Confederacy, a little separation at folds, **otherwise Very Fine**.  
Estimate . . . . . \$400-600.

*Because of the rank stated, the date of usage (if it was used) must be after the end of 1863. Dietz (page 40) states that postmaster's provisionals reappeared west of the Mississippi in 1863 and 1864 due to a shortage of stamps, and we see no reason why this could not have been true east of the Mississippi as well.*

- 1446 ☒ **Slave-carried wallpaper cover**, neat cover made from attractive brown and white on tan background wallpaper, addressed to Mr. John A. Cobb, Athens, Ga., with inscription at lower left **"Pas Elick with the two horse wagon"**, enclosed contents from plantation overseer discussing various foodstuffs being sent to the addressee, a very rare example of a slave pass being written directly upon a letter — the first we have seen, **Very Fine and choice.**

Estimate . . . . . \$200-300.

\$200-300.

*Slaves could not legally travel in public without a written pass from their owners or authorized agents; those who did so were subject to immediate arrest. Such passes were usually written on a separate piece of paper from any messages which they might be carrying (since, among other things, a second pass would then have to be written by the recipient). We do not know of another example on any delivered envelope, much less a wallpaper cover.*

- 1447 ☒ **1864 adversity cover**, envelope made from ornate life insurance policy, addressed to Major Genl Howell Cobb, Macon, Georgia with additional inscription at lower left "Politeness of Major Lamar Cobb", the handwriting is that of Cobb's mother, who lived at West Point, Georgia, carried outside the mails, a few opening tears at top of cover, F-V.F. Estimate . . . . . \$100-150.
- 1448 ☒ **Genl. H. Cobb, Present**, manuscript address on attractive all-over hotel advertising cover for Brown's Hotel, Macon, Georgia, hand delivered so no postal markings, **Very Fine and attractive**. Estimate . . . . . \$40-60.
- 1449 ☒ **O.B. (Official Business)**, manuscript endorsement on brown cover addressed to Maj. Genl. H. Cobb, Comdg. Forces in Front of Macon, Ga., carried by military courier, so no postal markings, **Very Fine**. Estimate . . . . . \$75-100.
- 1450 ☒ **O.B., Kinloch Falconer, A.A. Gen.**, manuscript endorsement on large cover with **undated** Raleigh, N.C. postmark and pencil "**Due 50**" (a very rare rate), addressed to Maj. Genl. Howell Cobb, Comdg &c, Macon, Ga., F-V.F. and scarce. Estimate . . . . . \$200-300.
- 1451 ☒ **1863 10¢ blue**, tied by Macon, Ga. Jun 15 (1864) double cds on blue cover to Mrs. Howell Cobb, Athens, Georgia, addressed in Cobb's handwriting, **Very Fine and attractive**. Scott No. 12 . . . . . Estimate \$75-100.
- 1452 ☒ **1863 10¢ blue**, cut down to medallion, accepted for postage on 1864 cover from Athens, Georgia, to Mrs. Howell Cobb, care of Genl. Howell Cobb, Macon, Georgia, rather striking, F-V.F. Scott No. 11 . . . . . Estimate \$75-100.
- 1453 ☒ **1863 10¢ blue**, tied by Savannah, Ga. cds with integral "Paid" on 1864 legal size cover with the extremely scarce four line printed **Confederate States/Head Quarters District of Georgia/And Sub-District No. 5, South Carolina/Official Business**, addressed to Major General Howell Cobb, Comd'g Reserves, Macon, Geo., the cover with back faults and repaired tear at lower right, F-V.F. and rare. Scott No. 11 . . . . . Estimate \$300-400.
- 1454 ☒ **1864 "O.B." military envelope**, no postal markings, addressed to Lt. Genl. Richard Taylor, Comdg. Dept. &c, Macon, Ga., light diagonal crease probably present before envelope was mailed, **otherwise Very Fine**. Estimate . . . . . \$50-75.
- General Dick Taylor, the son of President Zachary Taylor, arrived in Macon on November 22, 1864, to take overall command of the forces attempting to save Georgia from Sherman. General Beauregard arrived two days later, but by then Sherman had already passed en route to the sea.*
- 1455 ☒ **Charleston, S.C., Dec 10 (1864)**, double cds and matching "Paid 10" in circle on Official Business cover addressed to Major General Howell Cobb, Macon, Georgia, care of Major Winmore, Post Quarter Master, Augusta; because of the military disruptions in the area, it appears that mail for the generals at Macon was carried to Augusta and forwarded by military courier to wherever the addressees might be, **Very Fine and attractive**. Estimate . . . . . \$200-300.
- 1456 ☒ **1863 10¢ blue**, tied by Athens, Ga. Dec 19 (1864) cds on small cover to Major Lamar Cobb, Gen. Howell Cobb's Staff, Macon, Georgia (direct mail still traveled between Athens and Macon), portion of backflap removed, **otherwise Very Fine**. Scott No. 11 . . . . . Estimate \$75-100.

- 1457 ☒ **1863 10¢ blue**, not canceled, on 1864 cover addressed to Brig. Gen. Henry R. Jackson, Jackson's Brigade, Bates' Division, Cheattum's Corps, Army of Tennessee, probably sent under cover (see next lot) and delivered by military courier, good enclosed letter from Jackson's daughter dated December 31, 1864, with a postscript by Mrs. Howell Cobb, light overall cover toning, **otherwise Very Fine**. Scott No. 11 . . . . . Estimate \$100-150.

*Gen. Jackson was Howell Cobb's cousin, and was taken prisoner during the Battle of Nashville. It is possible that this letter was never delivered. In her postscript, Mary Ann Cobb states "the Yankee papers state that they captured a Maj. General Jackson in Hood's Army — and feel much solicitude about you in hearing this." The daughter's letter is more lighthearted, talking about Christmas and "Aunt Mary Ann has not yet got back. She...said she would come as soon as the Engineers and Conductors sobered off after Christmas..."*

- 1458 ☒ **Americus, Ga., Jan 8 (1865)**, black cds, matching handstruck "Paid" and "10" in manuscript on cover addressed to Genl. Howell Cobb, Macon, Georgia; the enclosure, however, is another letter from the daughter of Brig. Gen. Henry Jackson to her father, also enclosed is a second blank envelope, no doubt to be used for forwarding, but as Jackson was already a prisoner Cobb had no way to forward the letter from Macon, the outer cover somewhat toned and stained, **otherwise Almost Very Fine**. Estimate . . . . . \$100-150.

- 1459 ☒ **The last mail from Richmond**, cover franked by 1864 10¢ blue, Keatinge & Ball printing, tied by black cds of **Richmond, Va. Apr 1 (1865)**, the last known cover from Richmond before the April 2 evacuation, on legal size blue envelope addressed to Mrs. M. A. Cobb, care of Genl. H. Cobb, Macon, Georgia, where the postmaster crossed out "Macon" and readdressed the cover to Athens, applying his handstruck "10" to show the forwarding postage due (but no Macon postmark). The letter did not get forwarded, however, as there is a pencil notation at upper right reading "Found in a lot of old C. S. mail at Macon, Ga. — P.M.", minor cover wrinkling and a few small spots of what appears insect damage, none affecting markings, F-V.F. and rare. Scott No. 12 . . . . . Estimate \$2,000-3,000.

*This cover is discussed at length in an interesting article by Brian M. Green, commencing on page 606 of the July 1980 American Philatelist. The Union victory at the Battle of Five Forks on April 1 broke the Confederate defenses of Richmond and Petersburg, and the Confederate government evacuated on April 2. This letter left on either April 1 or possibly April 2, when a special train was used to evacuate Jefferson Davis and his cabinet. To our knowledge, it is later by four days than any other recorded Confederate cover from Richmond.*

- 1460 ☒ 1863 10¢ milky blue, tied by Athens, Ga., Apr 8 (1865) cds on cover addressed to Mjor Lamar Cobb, Gen. Howell Cobb's Staff, Augusta, Georgia, with additional manuscript "Gen. Fry will please forward by Courier", the Augusta crossed out and changed to Macon, also a manuscript "Missent" at top, Very Fine and scarce.  
Scott No. 12a . . . . . Estimate \$200-300.

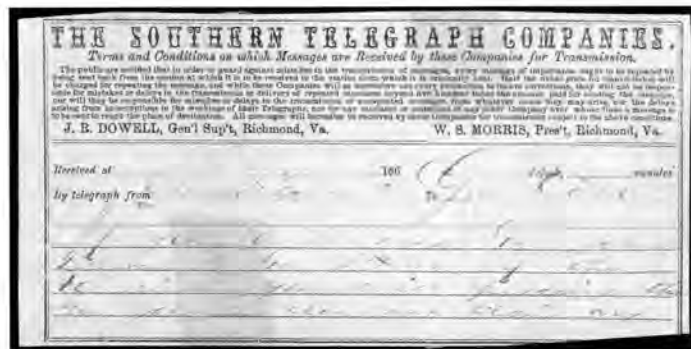

Presumably, this letter was sent to Augusta because Cobb was moving his forces to defend the Alabama-Georgia border and because mail service was already suffering disruptions in Georgia. The year date can be determined by, among other things, the fact that Birkett Fry was not promoted to Brigadier General until May 24, 1864.

1460

- 1461 ☒ **Athens, Ga., Apr 11 (1865)**, black eds ties 10¢ blue adhesive on cover to Gen. Howell Cobb, Augusta, Georgia, with notation "Gen. Fry will please forward", Augusta crossed out and changed to "Macon", a very late usage as the Confederate postal system in Georgia was almost dysfunctional by this date (the armistice which ended the war in Georgia was announced April 20, 1865). F.-V.F. and rare.  
Scott No. 11 ..... Estimate \$200-300.

- 1462 ☒ **The Southern Telegraph Companies**, printed form with May 3, 1865 message to Gen Howell Cobb from Major General L. McLaws at Augusta, reading "If you will read Gen Johnstons telegram to Gov. Brown of the 1st inst you will perceive that Gen Johnston does not claim any authority west of Georgia. Gen Wilson's order in relation to the Convention is therefore wrong", original cover is marked simply "Telegram/Gen Cobb", the telegram with some repaired separation, otherwise Very Fine.  
Estimate ..... \$300-400.

*The "convention" in question refers to the fact that Georgia Governor Brown, immediately after cessation of hostilities, called the state legislature into session to consider aid for the destitute citizens of the state. The federal government seems to have interpreted this as a hostile act, for Stanton ordered the session aborted and Brown arrested. It fell on General Wilson to carry out this order.*

*It is interesting that Confederate generals were still communicating with each other on these matters. They had in fact been left in some sort of authority as the Union forces gradually took over the government of the South.*

- 1463 ☒ **1864 Whiskey documents**, amusing note from W. A. Mitchell in Milledgeville, dated October 27, 1864, slave-carried to Cobb at Macon together with four gallons of whiskey, with the admonition that "the whiskey is good and fine and drink it before it becomes corrupted by this wicked corrupting world...", the second an order from Headquarters Post at Macon to the Provost Marshal, directing that "you will seize all the liquor found in public establishments in the City and all transferred from public to private establishments, and turn it over to the Med(ical) Purveyors...", both documents with small punch holes, otherwise F.-V.F. (no photo).  
Estimate ..... \$100-150.

*One doubts that Cobb's whiskey was seized. Rank hath its privileges.*

- 1464 ☒ **Griswoldville, Georgia under occupation, May 3, 1865**, two page letter (no cover - carried by hand as no postal service was functioning) from the firm of Griswold & Gunnison, addressed to Maj. General Howell Cobb, Macon, Ga., seeking Cobb's help in recovering a number of guns and tools seized by the Federal officials, attached is an affidavit to the effect that the items were not the property of the Confederate government, but were rather the private property of the manufacturers, most interesting, Very Fine (no photo).  
Estimate ..... \$100-150.

*Cobb at this time continued to serve as liaison with the Union forces, retaining his rank in an army that no longer existed. The firm of Griswold & Gunnison were small arms manufacturers.*

- 1465 ☒ **Vineville (state unspecified) June 2nd (1865)**, hand carried cover to Mrs. Howell Cobb, Athens, Georgia, enclosing letter from the wife of Gen. William W. Mackall expressing concern at the news of Cobb's arrest and discussing the hardships of being stranded with no funds, etc., "I have not heard a word from Mrs. (Joseph E.) Johnston and the Gen'l and feel so anxious to hear, but we have no mails...", cover soiled in one corner, otherwise Very Fine (no photo).  
Estimate ..... \$100-150.

*Mail service was still suspended at this time. Cobb had been released by the time this letter was written.*

- 1466 ☒ **Confederate covers and miscellaneous**, about a dozen items altogether, including Confederate use of U.S. postage, handstamped paid, letters on military matters, etc., probably the best item is a copy of the *Macon Bulletin* siege newspaper for November 24, 1864, condition mixed, especially the covers, but still a useful lot, Fine overall (no photo).  
Estimate ..... \$300-400.

- 1467 ☒ **Florida Confederate documents**, small group of four letters plus one courier-carried cover, all on military subjects and all but one addressed to General Howell Cobb at Quincy, slightly mixed condition, Fine overall (no photo).  
Estimate ..... \$100-150.

*Florida documents from the Confederacy are quite scarce.*

- 1468 ☒ **Confederate military documents 1864-1865**, five different reports or orders from the field late in the war, most dealing with questions of conscription, one is signed by William M. Browne, former aide-de-camp to Jefferson Davis and now commanding the Conscription Service in Georgia and South Carolina, F.-V.F. overall (no photo).  
Estimate ..... \$150-200.

- 1469 ☒ **Cobb Family miscellany**, 16 various covers, letters, express receipts, etc., ranging from prewar free franks to lengthy early postwar correspondence discussing the process of rebuilding in the aftermath, a good group of considerable historical interest, F.-V.F. overall (no photo).  
Estimate ..... \$300-400.

*In March 1900 one pane of 100 stamps was specially overprinted for the 1900 Paris Exposition and the 1901 Pan-American Exposition. Copies were handstamped type E "Specimen" in black ink by H.G. Mandel and mounted by him in separate displays for the two Expositions. Additional copies were also handstamped "Specimen", but most were destroyed after the Expositions.*

*J. M. Bartels, a early stamp dealer, signed some copies from these panes "Special Surcharge" in pencil on the gum to authenticate them as coming from the "Mandel" Special Printing panes. In 1904 or later, he handstamped additional surviving copies "Special Surcharge" in red ink on the back as his guarantee. Some of these guaranteed stamps had Mandel's "Specimen" handstamp on the face while others did not.*

*Given the fact that several of these stamps were destroyed after the Paris & Pan-American Expositions and that many of the remaining copies had "Specimen" overprints, this must indeed be a very rare stamp.*

From November 1, 1851 until December 31, 1856, the rate for letters of less than 7½ grams (approximately ¼ oz.) from France to the United States which travelled by British steamer was 13 décimes (1fr 30 centimes). This amount covered the postage for transit within France to the port of arrival, but excluded the United States inland postage of 5¢ for each ½ oz.

This franking, 3fr90 represents the triple rate in France with 10c due on arrival United States, as this was treated as a double rate letter, it weighed over 22½ grams but less than 1oz.

This cover was posted on the last day (December 31, 1856) that this rate was in effect.

### A Rare and Unusual Usage of the Unissued 10c Napoleon Surcharge

- 2234 ☒ 1871 10c on 10c bister, unissued, horiz. pair + 5c Sage tied by Paris Pl. de la Bourse double circle postmark on 1893 cover to Switzerland with arrival backstamp, Extremely Fine, a unique usage; with 1978 Diena, A. & 1977 Bühler, G. certificates. Cérés No. 34. Scott No. 49 . . . . . Estimate \$2,000-3,000.

In September 1871, the rate for New Year's cards was raised from 5 centimes to 10 centimes. Because there was a large remaining stock of 10 centimes laureated Napoleon III stamps available, the postal authorities decided to attempt to salvage them by overprinting them with "10" in blue. However, because of the high feelings against the empire, it was decided not to make them available for general sale since a 10 centimes Ceres stamp was available at the time for New Year's card usage. Although the overprinted stamp was not officially issued, it was valid for postage even though very few sheets of the stamp were sold by the post office. It is believed that most of the stamps which came into the hands of the public were purchased by a Paris banking house but were not used for payment of postage at the time because the bank employees were led to believe that they were not valid. Many years later, in 1893, a few of the stamps were found and used on a very limited number of letters.

Bothe certificate, signed Star and Bothe. Michel No. 67; DM80,000 (\$37,800).  
Scott No. 65B.

*In April 1901, the German cruiser Vineta anchored in New Orleans during its tour of the Americas. The vessel experienced a shortage of 3 pfennig stamps (the rate for printed matter to Germany) due to the demand for this franking on the occasion of the Kaiser's birthday. The purser, with the ship commander's approval, surcharged and bisected 300 5 pfennig stamps of the 1900 Germania issue.*

*The usage here is a far less common example of this provisional paying the postcard rate, rather than the printed matter rate, to Germany. On the reverse is a photo of the church in Pernambuco (now Recife), Brazil where the Vineta had stopped previously on its tour.*
