## **Welcome to our Westpex auction!**

We are very proud to offer in this catalogue two important collections of Confederate States Stamps and Postal History. Rich with history, this area has been the subject of study and fascination for many years by students of philately the world over. The collections contains several individual highlights which could be listed separately, however the following pages will detail these items, noted are wonderful sections of United States used in the Confederacy, Postmasters' Provisionals, General Issues, Official and Semi-Official usages, Express Covers, Blockade Covers, Prisoner of War Covers and Patriotic Covers.

This catalogue has a special meaning to me personally and an interesting story. I began my professional career in philately in 1977 working for John W. Kaufmann in Washington, D.C. As many of you know, John and his wife, Trish were the foremost experts and auctioneer of Confederate material for many years. It was during the five years spent working for John and Trish that I learned about Confederates and developed my love of the hobby.

I have kept in constant touch with Trish over the years, so naturally when I was consigned this material I turned to Trish for her expertise. She has kindly lotted, examined and described all of the material in this catalogue, adding her several years of knowledge to the following pages.

So now we have come full circle, from the time I was the young philatelist watching in awe as some of the most wonderful Confederate material passed through John and Trish's hands, to offering my own specialized sale of Confederates. With that said, I would like to dedicate this catalogue to John and Trish Kaufmann, who gave me my start in philately and so many wonderful memories during my time with them.

This sale will be held at the Westpex Exhibition, which is located at the Cathedral Hill Hotel at the corner of Van Ness and Geary in San Francisco. The show dates are April 16-18 (Hours Friday 10AM-6:30PM, Saturday 10AM-6PM & Sunday 10AM-4PM).

We hope to see everyone at the sale and this wonderful exhibition.

Sincerely,

Schuyler J. Rumsey

## Grading and Condition

<b>Superb</b>	Extraordinary item in the finest condition.
<b>Extremely Fine</b>	Outstanding and exceptional quality.
<b>Very Fine</b>	Choice, first-class condition.
<b>Fine-Very Fine (F-VF)</b>	Stamp or cover in sound condition; if a stamp, it is slightly less well-centered than Very Fine but better centered than Fine.
<b>Fine</b>	Sound in all respects. Perforated stamps will have the designs clear of the perforations; the designs of imperforate stamps will not be cut in to any significant degree.
<b>Very Good (VG)</b>	Imperfect centering (stamps) or poor general appearance.

Any stamp faults such as a thin spot, tear, crease etc., will be described at all times. Postally used covers should be expected to have the normal degree of wear associated with them and this wear is not grounds for return of a lot. The grade of a cover is independent of the grade of the stamps on it. Covers from the famous Carroll-Hoy correspondence will normally have a small unobtrusive staple hole. In lots containing several items, degrees of condition denote the overwhelming average and examples above and below such condition can be expected.

# Terms of Sale

## Bidding

I. All bids (whether by floor bidders, mail bidders, or telephone bidders) will have a premium of 10% added to the auction sale price.

II. All bids are per lot as numbered in the catalog. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots.

III. The highest bidder shall prevail; lots are sold at one increment over the second highest bid. Should any dispute arise between bidders, the decision of the auctioneer as to the successful bidder and the reoffering or resale of the lot under dispute shall rest entirely on the judgment of the auctioneer. The auctioneer shall regulate the bidding and reserve the right to refuse any bid believed by him not to be made in good faith.

IV. Consignor has and retains the right to bid personally, or by his duly appointed agent, through the auctioneer, unless the sale is advertised and announced as one restricting such bidding by consignors or their agents.

## Payments of Purchases

V. FLOOR BIDDERS. Floor bidders shall furnish the auctioneer their names and addresses prior to bidding on any lot. The name and address of the buyer of each lot shall be registered with the auction house following the sale of each lot. Payment of the whole purchase price shall be made by the floor buyer in such manner as the auctioneer may determine. Special credit arrangements must be made prior to the sale.

VI. MAIL BIDDERS. A successful mail bidder will be notified of lots purchased and must remit payment before the lots are sent. Auction bills are due and payable upon receipt of notification. If buyer's payment is not received within ten (10) days, Schuyler Rumsey Philatelic Auctions, Inc. may resell all lots without notice. Any and all losses incurred as a result of resale will be passed on to the defaulting buyer. Cost of postage, registration, etc. will be charged to buyer. Proof by the auctioneer of receipt of sending at the advised address shall constitute delivery.

VII. DIRECT DRAFTS/TRANSFERS. A successful mail bidder known to us may contact our office at (415) 781-5127 for the information necessary to pay directly into the vendor bank account. Any additional charges resulting from processing payments by this method shall be borne by the buyer. Method of payment should be noted on the bid sheet.

VIII. Title shall not pass to the buyer until full payment is received by Schuyler J. Rumsey Philatelic Auctions, Inc.

IX. All of our lots are sold as genuine. Lots accompanied by recent (within 5 years of sale date) expert certificates are sold "as is" based on the description in the certificate. The accepted authorities for U.S. stamps are the Philatelic Foundation and the Professional Stamp Expertizing Committee. Previously expertized lots may not be returned under any circumstances, including those instances in which subsequent certificates yield conflicting opinions.

X. All extensions must be paid in full, in advance. There will be no exceptions.

XI. All lots on extension must be submitted for expertizing by the auctioneer exclusively. Each lot is sold as genuine, except those described "as is", but when, in the opinion of a competent authority acceptable to Schuyler J. Rumsey Philatelic Auctions, Inc. within a period of 21 days from the date of auction. No lot will be accepted under any circumstances after four calendar months from the auction date. Expenses incurred for purposes of expertizing shall be borne by the purchaser except where the lot is found by said competent authority to be materially not as described, in which case the consignor will be responsible for expertizing costs incurred. Proof of the inability of said competent authority to express a definite opinion is not grounds for return of an item.

XII. Any lot, description of which is incorrect, is returnable (A) within three (3) days of receipt and (B) if received by Schuyler J. Rumsey Philatelic Auctions, Inc. within twenty-one (21) days from the date of the auction. All disputed lots must be returned intact, in the condition received; no adjustments will be made. The following lots are not returnable: lots containing ten (10) or more items; lots from purchasers OR THEIR AGENTS who had the opportunity to examine them before the auction; items described as having defects or of a quality standard "Very Good" (V.G.) or below; lots with disputed centering or margins when the item is photographed; lots described "as is".

## California State Sales Tax

XIII. The California State Sales Tax - or that of another state as ordered by the laws of such a state (as appropriate) - is payable by buyers liable to tax. See below.

XIV. JURISDICTION. In the event of any dispute between the auctioneer and bidders, or between any parties requesting inspection of any of the lots and the auctioneer, or between persons offering their lots to be auctioned and the auctioneer, the jurisdiction over the dispute shall be in the City and County of San Francisco, State of California.

XV. In the event of any dispute, the prevailing party shall be entitled to court costs and reasonable attorney's fees.

XVI. THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THE FOREGOING TERMS OF SALE.

Any lots purchased in California are subject to State Sales Tax unless:

1.) You have a signed resale card, with a verifiable California resale license number, on file with us prior to the Auction. (Note: customers presenting resale numbers the night of the auction will be subject to sales tax until their resale number can be certified with the State Board of Equalization - generally the following business day), OR

2.) You are not a California resident and your lots are being shipped to your out-of-state address.

Thank you for your cooperation.
