### The Georgetown Provisionals

The Georgetown provisionals were prepared by handstamping envelopes with a “PAID / 5” marking or “PAID” and “5” markings. The envelopes were then handstamped with an undated Georgetown postmark control on the reverse.

***The same handstamped markings were used as stampless markings. The only difference is the control marking on the reverse of provisionals covers.***

**NOTE:** The inclusion of an item in this census is not a guarantee of authenticity.
