POSTAGE STAMPS

—BY—

Look up your old letters. We pay as high as \$250.00 each for some varieties of American stamps, and there are dozens worth \$10.00 each and upwards.

—PRICE, 10 CENTS.—

THE J. W. SCOTT Co., L^d,
163 Fulton Street,
NEW YORK.

[1892]

IMPORTANT.

Have you any old letters? In early times envelopes were not in use, therefore the old and valuable stamps are still found stuck on the letters. By referring to page 3 for United States, and others for foreign stamps you will note that we pay as high as \$250 for a single used American stamp and there are nearly one hundred, worth \$10 each and upwards. Don't you think it will pay you to go through your old letters? Rare stamps should be sent on the entire letter just as found. Foreign stamps of some value come into the country at the rate of many millions per week. They are all worth something as you will see by referring to the different pages.

Our store is open from 9 a. m. to 6 p. m., and we are there to buy all the stamps that are brought to us.

Parties living outside of New York can send small lots by mail, and larger lots by express, and be certain of receiving the cash for their lots by return mail.

Countries changing their style of postage stamp should confer with us as we are always ready to buy out the entire old series and can usually pay sufficient to cover all expenses of engraving the plates for the new issue. We have frequently paid several thousand dollars for such lots.

Postmasters receiving supplies of stamps of a new design should immediately forward twenty dollars worth of the lowest value and twenty-five complete sets for which we will remit face and 20 per cent. premium by return mail. These can be sent by registered mail, or C. O. D. through their consul if preferred.

All classes of customers will find us liberal buyers and prompt payers.

The J. W. Scott Co. Ltd is a corporation organized under the laws of the State of New York. Mr. J. W. Scott, the president, has been in the stamp business thirty years, and is one of the well known men of the metropolis.

THE "CHALLENGE" ALBUM.

We claim this book to be the best ever published anywhere in the world for the money. It has more spaces, is better arranged, and in every way more suitable for a beginner's collection than any other. It has pictures of the stamps, specially arranged spaces, and illustrated with the flags of all nations, together with a fine map made expressly for this work. Notwithstanding all these advantages and the wonderfully low price at which it is sold, we have determined to offer the boys the following premiums:

To any boy properly filling this book either by exchange or with stamps purchased from us after receipt of album, we will present a \$2.50 album and \$2.50 worth of stamps to be selected by himself from our list.

To the first boy filling one of these books under the same conditions we will present a \$5 album and \$5 in stamps.

To the agent selling the largest number of these books we will present a \$5.00 album and \$5.00 worth of stamps.

Prices, all Post Free.

THE ↗FLAGS OF ALL NATIONS.↘

A superb set of the flags of all the nations of the world, beautifully printed in their correct colors. The most complete and only correct sheet published. Price 25 cents.

These flags are suitable for all albums published and when desired we will cut out and gum each flag, so that there may be no more trouble in placing in an album than sticking a stamp on a letter, *for which no extra charge will be made.* Please state in order which way they are desired.

↗ARMORIAL * DEVICES↘ OF ALL NATIONS.

This set of arms is superior in every respect to any heretofore published, exceeding in number and excelling in quality. The national arms of each country are faithfully reproduced in gold, silver, red, blue, green and black, great care having been taken to secure accuracy in every detail, thus forming a valuable plate for those interested in heraldry, an elegant series of objects for decorative purposes, and an indispensable addition to the stamp album, whether the collection be arranged in a blank book or prepared album. Price 50 cents for the complete sheet of 100 arms, post free.

IMPORTANT!

To save our patrons all the work possible, we will, when requested, *cut out and gum* the entire set of arms and send ready to stick in an album just like a new postage stamp, *without extra charge.* Please state in order whether required in a sheet or cut to shape and gummed.
