Compiled by Francis J. Crown, Jr.

Description

EAT-GA-E01

EAT-GA-E02

EAT-GA-E03

The Eatonton Provisionals

The E01 provisional was prepared by replacing the date logos in an office postmark with a “5” and handstamping envelopes with the device and a “PAID” marking.

The E02 provisional was prepared by handstamping envelopes with the E01 device and then handstamping a “5” marking twice to the left of the E01 marking to indicate a 10c rate

The E03 provisional was prepared by handstamping envelopes with a “PAID” and “10” marking. The same combination of markings was used on stampless covers. This marking is a provisional only when unused, mailed from another town or under a postally used general issue.
