

Census of Jackson, Mississippi, Postmaster's Provisionals

Compiled by Francis J. Crown, Jr.

Description

A-JAC-MS-E01

JAC-MS-E02

JAC-MS-E03

The Jackson Provisional Markings

The Jackson provisionals were prepared by handstamping envelopes with specially prepared markings of 3, 5, and 10 cent value.

The 3-cent provisional marking is known revalued for the 5-cent and 10-cent Confederate rates. Therefore, it is assumed the 3-cent marking was also used as a provisional prior to 1 June 1861.

NOTE: The inclusion of an item in this census is not a guarantee of authenticity.

Notes

Was the Provisional Marking a Dual Use Marking?

There is no recorded “Paid 5” stampless marking for Jackson. This and the large number of 5-cent provisionals indicates the provisional marking may have been used to mark both mail paid at time of mailing (stampless) and to mark provisional envelopes.

The 5c revalued 15c

The cover below (E03b, 26Mar[1862], CN-019) is the 5c revalued 15c envelope. It is difficult to see how the marking was revalued so an enlargement of the revalued marking is also illustrated.

The “1” forming the “15” is the pen stroke to the left of the “5.”
