Notes

Charge Box

Ten covers have charge box markings in various forms from “charge box” to just a number.

There is no consensus on whether a provisional cover with a charge box marking is or is not provisional. Information on charge box markings is presented to allow the collector to make his own conclusion. For information on both sides of this issue see Crown, and Roth and Kimbrough in “References.”

Those provisionals with charge box markings are listed below. All are included in this census.

27 Jan 1865	CN-030	-- Oct 186-	CN-023
29 Jan 186-	CN-033	2 Nov 186-	CN-015
15 Mar 186-	CN-011	24 Nov 186-	CN-006
21 Mar 186-	CN-020	Illegible Date	CN-007
6 Jul 186-	CN-027	Illegible Date	CN-013

The “PAID / 10.”

The “PAID / 10.” used to indicate payment of postage in the provisional marking is sometimes used as a separate marking on stampless covers as on the cover illustrated below. This is not a provisional.

Stampless “PAID / 10.” use on cover.
