The Enterprise Stampless Markings (not to scale)

The different markings are identified by the 2012 *Confederate States of American* (CSA) *Catalog and Handbook* Stampless Type. The letters "X, Y, and Z" are used to designate added items not in the CSA Catalog. The absence of a CSA Catalog Type in the illustrations above indicates that item is not included in the census.

This census is based on images of covers. Only covers for which an image was obtained are listed in the census. For this reason, this census may be far from complete.

NOTE: Every effort is made to ensure the accuracy of the census, but the inclusion of an item is not a guarantee of authenticity.

Count of the Enterprise Stampless Markings

Marking	Color	CSA Type	Covers	Everett Count*

PAID / 5 (in box) struck twice	Black	Ca	1	2
PAID / 5 (in box) revalued 10 (in circle)	Black	Cb	1	1

10 [due] (in circle)	Black	E	3	--
DUE + 10 (in circle)	Black	X	2	--

* See "Stampless - Important Information" on Stampless Covers page for information on the Everett Count.

Notes

The Type C Marking (PAID / 5 (in circle))

A complete circle does not show on strikes of this marking which are also weak (see examples below). It appears that the left side and top of the circle broke off and eventually the whole circle was gone.
