News and Updates

If you have not visited the website lately you may have missed our update on EuroPhilEx where CWPS members once again excelled. Daniel Ryterband was 1 of 12 exhibitors included in the prestigious "Federation of European Philatelic Associations (FEPA) Grand Prix Class" with his 8-frame exhibit "A Country Divided: Effects of the American Civil War on the Mails". CWPS President Daniel Knowles was awarded a Large Gold Medal (95) for his 5-frame exhibit "Handling United States Domestic and International Mail 1860-1869". Congratulations to both of them on their accomplishments.

Looking back, it was 10 years ago when CWPS members attended

EuroPhilEx 2015. Local UK resident John Walker served as the host for our Society for what was a very enjoyable event. Click [here](#) to see a recap of that event along with photos.

Speaking of exhibiting, after 32 years as a member, Worth Mathewson made his first attempt at exhibiting with his 2-frame exhibit "Confederate Postal System" at PIPEX 2025 (held [May 2-4](#) in Clackamas Oregon outside of Portland). Worth was awarded a Silver Bronze medal as well as the "Larry Spray Encouragement Award." Our congratulations go out to Worth on his first exhibit. He has reported that he hopes to continue with his exhibiting experience next year.

We encourage you to check out the [What's New Page](#) for the latest additions to the website.
