Boston 2026

The CWPS will participate in this highly anticipated International Event May 23-30, 2026. We have arranged to share a Society Booth with the Carrier and Locals Society and we are working to schedule at least one presentation during the show. We expect most of the activities will be centered around the first 4 days of the show.

The [Boston 2026](#) webpage has all the details including hotel options. You are encouraged to book early as rooms are likely to sell out quickly. Additional hotels outside of the immediate area were added to provide some lower cost options. Hope to see you there!

2026 Annual Meeting

The 2026 CWPS Annual Meeting will take place in conjunction with [NAPEX](#) in McLean, VA. This show has been moved from its traditional date in early June, to August 28-30, 2026.

We want to provide a strong showing at this show so please consider entering an exhibit for this event. We expect to arrange the traditional society dinner on Friday evening and hold our annual Membership Meeting on Saturday along with several presentations.

Additional details will be shared as they are formalized.
