

Census of Griffin, Georgia, Stampless Markings

Compiled by Francis J. Crown, Jr.

Markings

Griffin Stampless Markings (not to scale)

Manuscript markings are not illustrated. View them on the covers in the full census

The markings are identified by type numbers in the 2012 *Confederate States of American (CSA) Catalog and Handbook*. The letters "X, Y, and Z," are used to designate added items not in the CSA Catalog.

This census is based on images of covers. Only covers for which an image was obtained are listed in the census. For this reason, this census may be far from complete.

NOTE: Every effort is made to ensure the accuracy of the census, but the inclusion of an item is not a guarantee of authenticity.
