1. The Everett Count **is not always reliable**. For more information [click here](#).

2. This is a legacy listing in the 2012 CSA Catalog. No example was found while preparing this census.

3. This marking is not included in the census.

NOTE: Every effort is made to ensure the accuracy of the census, but the inclusion of an item is not a guarantee of authenticity.

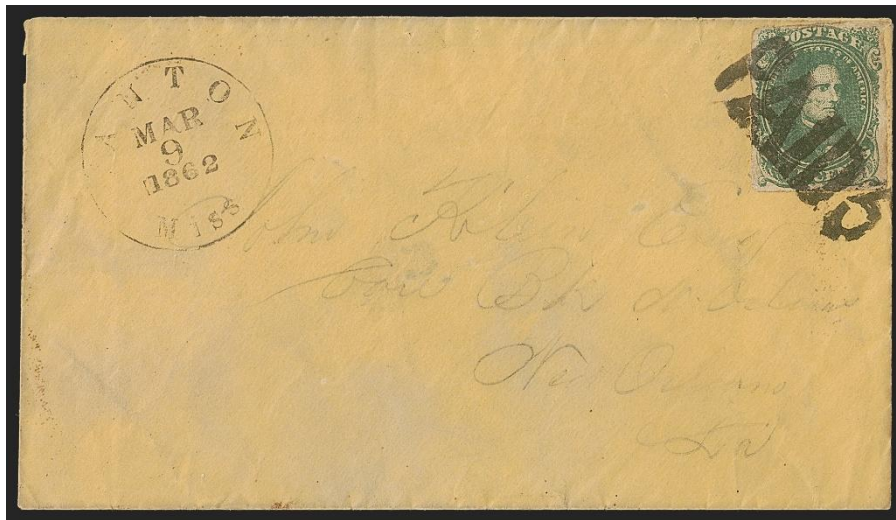

Notes

Union Occupation During the Civil War

Canton was occupied three times during the war: May 1863, October 1863, and February-March 1864.

Use of the Type C as postmark

There are several examples of the Type C marking canceling Confederate postage stamps on letters. The stamps paid the postage and the Type C marking only canceled the stamp. See example below.
