1. The Everett Count **is not always reliable**. For more information [click here](#).

2. This is a legacy listing in the 2012 CSA Catalog. No example was found while preparing this census.

Stampless Paid 5c Uses in June 1861: The last use of a stampless Paid 5c marking in this census is 1 January 1862. Therefore, any Paid 5c use in June is assumed to be 1861.

NOTE: Every effort is made to ensure the accuracy of the census, but the inclusion of an item is not a guarantee of authenticity.

Notes

Civil War Occupation

Natchez surrendered to a Union naval force on 13 May 1862 but was not occupied and the naval force moved on. In anticipation of occupation the postmaster moved stamps, equipment, funds, and records to a safe place. This caused some temporary disruption of mail service.

Natchez's was not formally occupied by Union forces until 13 July 1863.

After Secession Uses
