Type X

Type B

Type C

Type D

Oxford Stampless Markings (not to scale)

## Description and Count

|                        | Marking               | Color | Type | Covers          | Everett Count <sup>1</sup> |
|------------------------|-----------------------|-------|------|-----------------|----------------------------|
| <b>After Secession</b> |                       |       |      |                 |                            |
|                        | PAID (in arc) / 3     | Black | X    | 4               | NA                         |
| <b>Confederate</b>     |                       |       |      |                 |                            |
|                        | PAID + 2 (ms)         | Black | A    | -- <sup>2</sup> | --                         |
|                        | PAID + 5              | Black | B    | 6               | 4                          |
|                        | PAID + 5, revalued 10 | Black | Ba   | -- <sup>2</sup> | 1                          |
|                        | PAID + 10             | Black | C    | 2               | 3                          |
|                        | 10 + due (ms)         | Black | D    | 1               | --                         |
|                        | Due (ms) [no rate]    | --    | Ms   | -- <sup>2</sup> | NA                         |

1. The Everett Count **is not always accurate**. For more information [click here](#).

2. This is a legacy listing in the 2012 CSA Catalog. No example was found while preparing this census.

**Stampless Paid 5c Uses in June 1861:** The last use of a stampless Paid 5c marking in this census is 23 January 1862. Therefore, any Paid 5c use in June is assumed to be 1861.

**NOTE:** Every effort is made to ensure the accuracy of the census, but the inclusion of an item is not a guarantee of authenticity.

## Notes

### After Secession Uses

For more information on the after secession uses see **Reference** below.
